WELCOME

On behalf of all of us at Darthaven Marina, I extend a warm welcome to all our berth holders and visitors in 2020. Darthaven is a family run business that provides an excellent range of marine

services for boat owners. We have built our expertise over 40 years and take great pride in serving our customers well.

Our chandlery remains one of the best stocked in the South West and its recent refurbishment and reorganisation means we are better placed to serve our customers' needs.

Darhaven are proud to be an authorised Volvo Penta Centre, one of only ten in the UK. As well as servicing all brands of inboard engines, we also maintain and repair all types of outboard engines, specialising in Suzuki Marine for which we hold the dealership. Our Electronics department will similarly supply, install and service a large range of the latest in navigation and marine technology whilst the Shipwright department is renowned for its skilled and high quality repairs and yacht refinishing.

The boatyard boasts a 40 tonne travel hoist which can operate at all states of the tide.

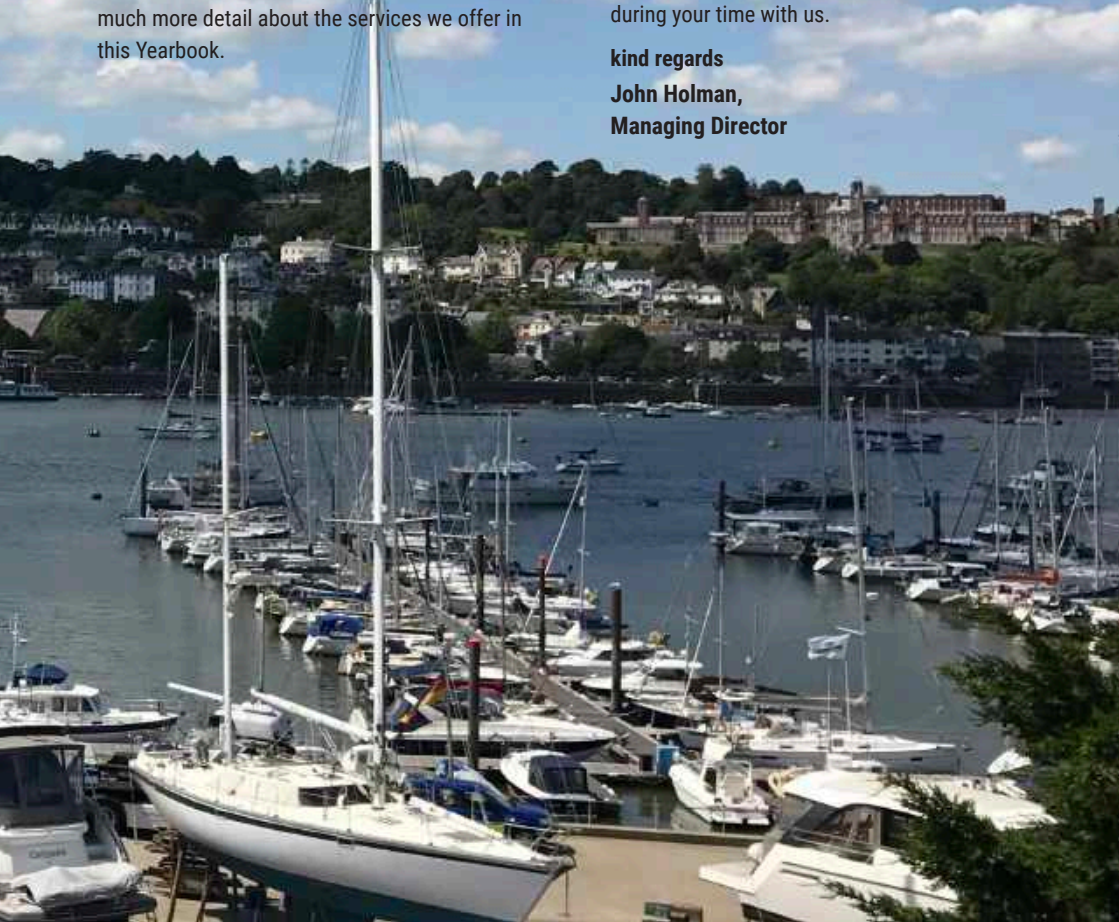

All our staff are highly trained with many years of experience in their respective fields. You can find much more detail about the services we offer in this Yearbook.

The River Dart is one of the most attractive ports of call anywhere on the South Coast and beyond. As well as great boating, the town of Dartmouth and the surrounding countryside (a designated Area of Outstanding Beauty) have a lot to offer the berth holder and visitor - whether it's our restaurants and shops or things to do and places to visit. The area is rich in history and the river itself makes it well worth a trip to Totnes to see the beautiful scenery and wildlife. You'll find much information in this guide about the area to make your stay with us more enjoyable.

Our team looks forward to helping you out with any extra services that you may need during your time with us.

kind regards

**John Holman,

Lauderette - situated at the back of our facilities block, with two industrial washing machines and tumble dryers. A sink and ironing board are also provided. Both the washers and dryers are coin operated and can be accessed from 08:30-23:00 during the summer or 08:30-22:00 in winter (£4 per wash, 20p per five minute drying cycle).

Car Park - over 230 car parking spaces are available for use by berth holders, visitors and general public. The car park operates a Pay & Display system with a Number Plate Recognition system, run by Premier Parking Solutions (PPS). Annual or 6 month permits can be arranged directly with PPS - 0845 8621034 - NOT through Darthaven.

Waste & Recycling - located opposite our Berthing and Service Office is the waste disposal area. We recycle as much waste product as possible and would greatly appreciate if, during your stay, you could do the same.

- Separated into two sections, general waste on the left and recycling on the right, it's never been easier. Please separate your glass waste.
 - For the disposal of waste oil, please find the large green tank located under the railway bridge as marked on the Marina Map (page 9). For used fuel and oil filters please use the allocated bins to the right of the Engineering Workshop.
-

Pyrotechnic Disposal - in our Chandlery, we accept out of date flares only when purchasing replacements, so be sure to ask a member of our staff for more information. Otherwise, a licensed contractor must dispose of all waste flares. **FIRE HAZARD! - DO NOT DISPOSE OF FLARES IN THE RECYCLING BINS**

Security - CCTV operates 24 hours a day and monitored by our night staff on duty daily (7 days/week).

- Access to the Marina can only be gained by entrance through our electronic gates operated using an access code.
 - Visitors should ask for the entrance code at the Berthing Office. This system is also in place in order to gain access to our facilities block and washroom areas.
 - We operate a barrier entrance to the boatyard.
-

ON THE PONTOON

Darhaven Marina has 270 berths in total set over four main pontoons. We pride ourselves on keeping a clean and well-maintained environment throughout the year.

Water and electricity outlets are available in every location and berth, along with well-lit walkways making for safe use during the evenings and at night. 16amp & 32amp electricity is available (32amp with selected berths only).

Berth holders are reminded to ensure their **mooring lines are suitable for winter storms etc** – if unable to get down to your boat or nervous about your boat's security over the winter, please give the Berthing Office a call and they will be happy to check on your behalf.

It's a good idea for berth holders to leave **boat keys with the Berthing Office** . . . just in case a problem arises in a boat owner's absence.

BERTHING & SERVICE OFFICES

At the top of the main bridge situated on the left is our **Berthing Office** – the Marina Manager, Martin Pragnell and his team are located in the office to assist all visiting boats and berth holders.

NEW BOAT SALES

Darhaven Marina are official dealers for both Beneteau Outboard (Antares & Flyer) and Williams Jet Tenders. Perfect for creating family memories spent on the water whether it's fishing, waterskiing or cruising the South West coast line, we are sure to have the perfect model to suit all your boating requirements. We offer a knowledgeable, experienced and friendly service that is second to none.

BENETEAU OUTBOARD

The Beneteau adventure began more than a century ago on the quays of Croix-de-Vie in Vendée, France. For more than 130 years, the core of the boatyard's profession has been innovation and a passion for yachting. Today, more than 100,000 Beneteau vessels have sailed the seas of the world. Their growing number of keen owners, share the same values of performance, modernity, safety and respect at the helm.

ANTARES

A classic pilothouse boat for short cruises that will never go out of fashion. These fisher cruisers are safe and highly seaworthy thanks to a flared hull, and they enjoy the performance you only get from an outboard engine. The four outboard Antares are well-known for their cosy interiors and level of equipment, making them a joy to own and a best seller range.

A stylish day-boat with a unique concept of one Air-Step® hull for a choice of three different deck plans, the Flyer is a distillation of technology. The SpaceDeck, SunDeck and SportDeck, with 10 spacious models between 5 and 9 metres, are undoubtedly an achievement in terms of design. Let the fun begin.

The sea is your playground. Seaworthy, safe and powerful, the Barracuda is a sport fisher full of character. The four outboarders of this range have a cleverly designed deck plan. The quantity and quality of their fishing equipment, and the comfort they offer on board, make them perfect for the demanding owner. Most definitely a winning range!

WILLIAMS JET TENDERS

Williams are the tenders of choice around the world because they work beautifully. Blending pure pleasure with practicality, getting from ship to shore has never been more stylish.

With unmatched function and reliability, the Williams product provides the service solution to a fast tender or small day boat. All of our technicians attend regular product and power unit training at the Oxfordshire based factory.

Covering the entire South West, we are also able to provide servicing, repairs and warranty support as well as new sales.

WHAT WE CAN DO:

✓ INBOARD ENGINES, DRIVES & PROPULSION GEAR

Engine Servicing - Let us do the dirty work with a full engine service using only genuine parts and service items.

Outdrive Service - Either full or intermediate, make sure your outdrive stays in tip top condition.

Saildrive Service - Changing your oil and anodes will help prolong the life of the saildrive to ensure it stays in great working order.

Your Propeller & Stern Gear - Having a clean prop improves efficiency. But we go just that bit further e.g. burnish propeller, strip (if folding) and grease, burnish rudder(s), P-bracket(s), shaft(s) & trim tabs

Winterise & Recommissioning - Winterising your boat could save you thousands in damages during the cold months. Sea water within your engine can freeze and crack major components very quickly. We will protect against this with an antifreeze fluid flush.

✓ GENERATOR

Generator Service - Keep your generator well maintained with an annual service and health check. We use only genuine parts.

✓ OUTBOARD SERVICING & MAINTENANCE

Outboard Servicing - Have your outboard engine serviced right here while at Darthaven. Our qualified technicians will carry out the necessary work so your outboard remains in new working order. Free outboard engine winterisation with full service.

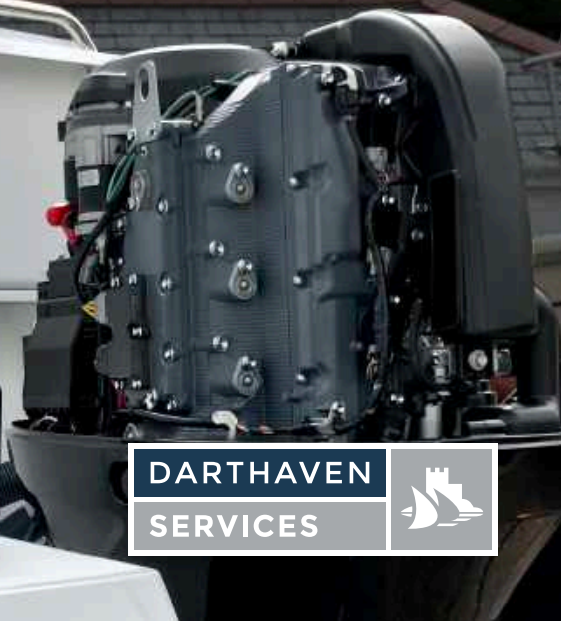

Winterise/de-winterise - Winterising your outboard will help protect it from winter conditions and maintain the internals of your engine including the fuel system for £32 + VAT.

Storage - Are you fed up with having to remove your heavy outboard for both safety and storage reasons? Let us remove, store and refit your outboard before re-launching in the spring (up to 10hp). £15 + VAT per month. Limited space available.

BALTIC YACHT BROKERS

(SEE ADVERT PREVIOUS PAGE)

We have over 20 years experience in the boating business and sell boats locally, nationally and internationally. We pride ourselves on giving a 1st rate personal service, and over the years have built up good local business connections with strong overseas contacts, more specifically within the Mediterranean and Caribbean areas.

We still recognise the continuing need for the traditional style of brokering, since actively participating in selling your own boat doesn't always suit every boat owner.

In parallel with the full brokerage service, we have our flexi brokerage service, where we can offer our assistance to more owners at any stage of the selling process, in any geographic location.

We list all types of boats from Dory to Super Yachts.

We will advertise your boat on the major industry websites ensuring your boat is found easily.

Call Steve Jackson on 01803 865321 or 07970 446189 to discuss your needs.

Dartmouth Castle

Impossible to miss, Dartmouth Castle provides the focal point for many postcard shots of the Dart Estuary. Dating from 1488, it once protected the town from potential naval attack by a combination of a chain slung across the river mouth and a formidable collection of artillery. The castle and **St Petrox Church** are a must-see for anyone visiting the town. They can be accessed either by taking a short walk/drive from the Harbour Office or by the Castle ferry from Dartmouth Quay (opposite Rockfish). Also a Café with spectacular views across the Castle.

MAYFLOWER 400

In 1620, the **Mayflower** and the **Speedwell** set sail from **Southampton** for the **New World** with **Pilgrims, passengers and crew onboard**, but they were forced to **put into Dartmouth to repair the leaking Speedwell**. The ship was “thorowly searcht from steme to steme [and] some leaks were found & mended”; and then they waited several days for a fair wind. When they set sail again the Speedwell continued to leak, so they returned to Plymouth. “No spetiall leake could be founde”, but the Speedwell was abandoned, and the Mayflower set off alone. According to William Bradford’s account, the Speedwell’s master and crew “plotted this strategem to free themselves”.

During 2020, in common with 11 other destinations throughout the UK, Netherlands and the US, Dartmouth will be commemorating 400 years since the Pilgrims set sail for America, and the part our town played in that story. A major programme of activities are planned during 2020, including arts and culture events, educational projects and the opening of a Heritage Trail through the town.

The maritime focus of these events will be **Mayflower Week** – 29 August to 5 September 2020 – there will be a variety of activities on the river, between Totnes and the Harbour mouth, including fun races and ship visits.

The week will start on 29 August with a “day sail” for local disabled and disadvantaged young people in SV Tenacious, followed on 30 Aug by a Grand River Pageant involving local and visiting craft of all types,

led by Matthew of Bristol and Pilgrim of Brixham representing Mayflower and Speedwell respectively.

MAYFLOWER HERITAGE TRAIL

Dartmouth’s Mayflower Heritage Trail tells a local story, and its relationship with the wider voyage undertaken by the Pilgrims. It paints a picture of 17th century Dartmouth, as it was when the Pilgrims sailed into the harbour in 1620. Dartmouth’s Trail is linked to the National Mayflower Trail that charts the story of the Pilgrims from their birthplaces to their settlement in the New World. You can download the Mayflower Self-Guided Tours app (www.mayflower400uk.org/ app), an innovative and informative free app that provides users with free, easy to follow self-guided tours of the UK towns, cities and villages connected to the Mayflower, including the Dartmouth Town Trail.

Dartmouth’s Town Trail is marked by a series of wonderful bronze markers, created by Tom Leaper, a South West artist. Look out for these around town together with information boards such as one at Bayards Cove. A free Trail Map leaflet is also available detailing the location and history of each point of interest. Copies are available from the Dartmouth Visitor Centre and other pick up points in the town.
