WELCOME

On behalf of all of us at Darthaven Marina, I extend a warm welcome to all our berth holders and visitors in 2021.

Darthaven is a family run

business that provides an excellent range of marine services for boat owners. We have built our expertise over 40 years and take great pride in serving our customers well.

Our chandlery remains one of the best stocked in the South West and its recent refurbishment and reorganisation means we are better placed to serve our customers' needs.

Darthaven are proud to be an authorised Volvo Penta Centre, one of only ten in the UK. As well as servicing all brands of inboard engines, we also maintain and repair all types of outboard engines, specialising in Suzuki Marine for which we hold the dealership. Our Electronics department will similarly supply, install and service a large range of the latest in navigation and marine technology whilst the Shipwright

department is renowned for its skilled and high quality repairs and yacht refinishing.

The boatyard boasts a 40 tonne travel hoist which can operate at all states of the tide.

All our staff are highly trained with many years of experience in their respective fields. You can find much more detail about the services we offer in this Yearbook.

The River Dart is one of the most attractive ports of call anywhere on the South Coast and beyond.

As well as great boating, the town of Dartmouth and the surrounding countryside (a designated Area of Outstanding Beauty) have a lot to offer the berth holder and visitor - whether it's our restaurants and shops or things to do and places to visit. The area is rich in history and the river itself makes it well worth a trip to Totnes to see the beautiful scenery and wildlife. You'll find much information in this guide about the area to make your stay with us more enjoyable.

Our team look forward to helping you out with any extra services that you may need during your time with us.

kind regards

**John Holman,
Managing Director**

COVID -19

Launderette - situated at the back of our facilities block, with two industrial washing machines and tumble dryers. A sink and ironing board are also provided. Both the washers and dryers are coin operated and can be accessed from 08:30-23:00 during the summer or 08:30-22:00 in winter (£4 per wash, 20p per five minute drying cycle).

Car Park - over 230 car parking spaces are available for use by berth holders, visitors and general public. The car park operates a Pay & Display system with a Number Plate Recognition system, run by Premier Parking Solutions (PPS). Annual or 6 month permits can be arranged directly with PPS - 0845 8621034 - NOT through Darthaven.

Waste & Recycling - located opposite our Berthing and Service Office is the waste disposal area. We recycle as much waste product as possible and would greatly appreciate if, during your stay, you could do the same.

- Separated into two sections, general waste on the left and recycling on the right, it's never been easier. Please separate your glass waste.
 - For the disposal of waste oil, please find the large green tank located under the railway bridge as marked on the Marina Map (page 9). For used fuel and oil filters please use the allocated bins to the right of the Engineering Workshop.
-

Pyrotechnic Disposal - in our Chandlery, we accept out of date flares only when purchasing replacements, so be sure to ask a member of our staff for more information. Otherwise, a licensed contractor must dispose of all waste flares. **FIRE HAZARD! - DO NOT DISPOSE OF FLARES IN THE RECYCLING BINS**

Security - CCTV operates 24 hours a day and monitored by our night staff on duty daily (7 days/week).

- Access to the Marina can only be gained by entrance through our electronic gates operated using an access code.

 - We operate a barrier entrance to the boatyard.
-

ON THE PONTOON

Darhaven Marina has 270 berths in total set over four main pontoons. We pride ourselves on keeping a clean and well-maintained environment throughout the year.

Water and electricity outlets are available in every location and berth, along with well-lit walkways making for safe use during the evenings and at night. 16amp & 32amp electricity is available (32amp with selected berths only).

Berth holders are reminded to ensure their **mooring lines are suitable for winter storms etc** – if unable to get down to your boat or nervous about your boat's security over the winter, please give the Berthing Office a call and they will be happy to check on your behalf.

It's a good idea for berth holders to leave **boat keys with the Berthing Office** . . . just in case a problem arises in a boat owner's absence.

BERTHING & SERVICE OFFICES

At the top of the main bridge situated on the left is our **Berthing Office** – the Marina Manager, Martin Pragnell and his team are located in the office to assist all visiting boats and berth holders.

Located on the right is our **Service Office** run by Chris Bickle and Robin Coomer. They are your first point of contact to organising works by any service department within Darhaven.

NEW BOAT SALES

Darhaven Marina are official dealers for both Beneteau Outboard (Antares & Flyer) and Williams Jet Tenders. Perfect for creating family memories spent on the water whether it's fishing, waterskiing or cruising the South West coast line, we are sure to have the perfect model to suit all your boating requirements. We offer a knowledgeable, experienced and friendly service that is second to none.

BENETEAU OUTBOARD

The Beneteau adventure began more than a century ago on the quays of Croix-de-Vie in Vendée, France. For more than 130 years, the core of the boatyard's profession has been innovation and a passion for yachting. Today, more than 100,000 Beneteau vessels have sailed the seas of the world. Their growing number of keen owners, share the same values of performance, modernity, safety and respect at the helm.

ANTARES

A classic pilothouse boat for short cruises that will never go out of fashion. These fisher cruisers are safe and highly seaworthy thanks to a flared hull, and they enjoy the performance you only get from an outboard engine. The four outboard Antares are well-known for their cosy interiors and level of equipment, making them a joy to own and a best seller range.

A stylish day-boat with a unique concept of one Air-Step® hull for a choice of three different deck plans, the Flyer is a distillation of technology. The SpaceDeck, SunDeck and SportDeck, with 10 spacious models between 5 and 9 metres, are undoubtedly an achievement in terms of design. Let the fun begin.

The sea is your playground. Seaworthy, safe and powerful, the Barracuda is a sport fisher full of character. The four outboarders of this range have a cleverly designed deck plan. The quantity and quality of their fishing equipment, and the comfort they offer on board, make them perfect for the demanding owner. Most definitely a winning range!

WILLIAMS JET TENDERS

Williams are the tenders of choice around the world because they work beautifully. Blending pure pleasure with practicality, getting from ship to shore has never been more stylish.

With unmatched function and reliability, the Williams product provides the service solution to a fast tender or small day boat. All of our technicians attend regular product and power unit training at the Oxfordshire based factory. Covering the entire South West, we are also able to provide servicing, repairs and warranty support as well as new sales.

WHAT WE CAN DO:

✓ INBOARD ENGINES, DRIVES & PROPULSION GEAR

Engine Servicing - Let us do the dirty work with a full engine service using only genuine parts and service items.

Outdrive Service - Either full or intermediate, make sure your outdrive stays in tip top condition.

Saildrive Service - Changing your oil and anodes will help prolong the life of the saildrive to ensure it stays in great working order.

Your Propeller & Stern Gear - Having a clean prop improves efficiency. But we go just that bit further e.g. burnish propeller, strip (if folding) and grease, burnish rudder(s), P-bracket(s), shaft(s) & trim tabs. We will change trim tab, engine, prop shaft anodes etc.

Winterise & Recommissioning - Winterising your boat could save you thousands in damages during the cold months. Sea water within your engine can freeze and crack major components very quickly. We will protect against this with an antifreeze fluid flush.

✓ GENERATOR

Generator Service - Keep your generator well maintained with an annual service and health check. We use only genuine parts.

✓ OUTBOARD SERVICING & MAINTENANCE

Outboard Servicing - Have your outboard engine serviced right here while at Darthaven. Our qualified technicians will carry out the necessary work so your outboard remains in fine working order. Free outboard engine winterisation with full service.

Winterise/de-winterise - Winterising your outboard will help protect it from winter conditions and maintain the internals of your engine including the fuel system for £33 + VAT.

Storage - Are you fed up with having to remove your heavy outboard for both safety and storage reasons? Let us remove, store and refit your outboard before re-launching in the spring (up to 10hp). £15 + VAT per month. Limited space available.

We still recognise the continuing need for the traditional style of brokering, since actively participating in selling your own boat doesn't always suit every boat owner.

In parallel with the full brokerage service, we have our flexi brokerage service, where we can offer our assistance to more owners at any stage of the selling process, in any geographic location.

We list all types of boats from Dory to Super Yachts.

We will advertise your boat on the major industry websites ensuring your boat is found easily.

MAINSTAY YACHT MAINTENANCE

Our specialty is the diversity of jobs we will do on your boat from basic maintenance, antifouling, polishing, indeed all the nasty bits that an owner might not want or have the time to do.

We look after both sailing and motor boats all year round particularly for owners who can't get to their boats often. We currently work on at least 30 boats regularly throughout the year as well as undertaking many ad hoc jobs on others.

If you're an absent boat-owner, we'll also prepare your boat before you visit, even topping up the fuel tanks, maximising the time you have to use the boat. We'll do the basic housekeeping, valet the boat and even fix the toilets if necessary.

We've got many years' experience of handling all sorts of boats from small to very large. If you need us to move your boat, perhaps organising its lift-out, then

you can rely on us. Owners value our integrity knowing that we are reliable, competent and won't over-charge

THINGS TO SEE & DO

The surrounding area is not only a stunning place to visit – it boasts a huge variety of historic sites, entertainment and activities for all ages. We are lucky to have all of this on our doorstep! Here are some of the highlights of what you can get up to on and off the water during your visit to the Dart Estuary ...

Around Dartmouth

Dartmouth Castle

Impossible to miss, Dartmouth Castle provides the focal point for many postcard shots of the Dart Estuary. Dating from 1488, it once protected the town from potential naval attack by a combination of a chain slung across the river mouth and a formidable collection of artillery. The castle and **St Petrox Church** are a must-see for anyone visiting the town. They can be accessed either by taking a short walk/drive from the Harbour Office or by the Castle ferry from Dartmouth Quay (opposite Rockfish). Also a Café with spectacular views across the Castle.

Britannia Royal Naval College

With an intriguing heritage spanning over 150 years, the BRNC is an essential place to visit for anyone with an interest in British history. Since 1863, Dartmouth and the River Dart have been the home of initial Naval Officer training in the UK – today, the BRNC is the only remaining Naval College in the country, fulfilling a vital role in training Naval cadets not only from Britain but those from the Commonwealth and all over the world.

Guided and private tours offer an informative narrative allowing visitors the opportunity to appreciate the history and relevance of the BRNC. Tel: 01803 677565.

The Flavel Arts Centre

With a growing reputation as one of the best small arts venues in Devon, the Flavel has entertainment every day, from live music and comedy, to lunchtime concerts and **cinema**. A packed programme is very popular with visitors and residents alike. With the Flavel Café (Coffee Couture) as a perfect venue to meet and eat, the Flavel is also home to the Dartmouth Library, with free Wi-Fi. Tel: 01803 839530

Bayard's Cove

Originally Dartmouth's only wharf, Bayards Cove is a picturesque area protected by a fort at the southern end of the town. A perfect spot to indulge in a drink by the river at the Dartmouth Arms or Bayards Cove Inn, or enjoy an hour or two of crabbing!

St Saviour's Church

Constructed in the middle ages when the town began to develop on the foreshore of the river and parishioners no longer wished to struggle up the hill to reach the parish church of St Clement. Tel: 01803 835540

THINGS TO SEE & DO (CONTINUED)

Newcomen Engine House

The Engine House (adjacent to the Dartmouth Visitor Centre) is home to the only original Newcomen engine that can be shown working. Tel: 01803 834224

DARTMOUTH MUSEUM

The Butterwalk, Dartmouth

Explore Dartmouth's Rich Maritime History

The museum has great displays of Dartmouth's history and of ships and the sea with magnificent models, photographs and a unique WW II film of US troops training here. The whole Museum is very child friendly.

During a storm in 1671 Charles II dined in the King's Room. The Henley Study shows the life of a Victorian Dartmouthian with interests in science, architecture, art, natural history, music and much else. The Holdsworth Room displays Dartmouth's story with costumes, local pottery and even a dolls house with a grisly history.

Along the coast

The Daymark, nr Kingswear

An 80ft octagonal limestone tower built in 1864 as a guide to mariners to the position of the harbour entrance. It is visible for many miles out to sea and is a true wonder of the South Devon coastline! Access via the South West Coastal Path from Froward Point, or park at Brownstone Car Park near Coleton Fishacre.

Blackpool Sands

An award-winning, privately managed 'Blue Flag' family beach with turquoise blue sea giving it an almost Mediterranean feel. Take a dip at this idyllic beach or enjoy organic Devon produce at the Venus Café. Dogs not allowed during the summer. Tel: 01803 770209 (Venus Café). Nr Stoke Fleming.

Hallsands

Discover the haunting remains of the lost village of Hallsands, between Beesands and Start Point. Once a thriving community, the village was washed away by storms in 1917 following the short-sighted removal of a nearby beach. Now only a few ruined houses mark this haunting site. Access via a narrow lane to the car park and a short walk.

Start Point Lighthouse

Sited at the end of the headland on one of the most exposed peninsulas of the English Coast,

The Daymark

the lighthouse has guided vessels in passage along the English Channel for over 150 years. With guided tours, it is open to the public throughout the year.

Slapton Sands

An extremely picturesque and popular dog-friendly beach, it plays an important part in the

survival of some of the UK's rarest flora and fauna and is designated as an Area of Outstanding Natural Beauty. It is also home to a Sherman Tank that was sunk in action during Exercise Tiger (preparation for the Normandy landings in WWII) and has now been recovered.
