## **WELCOME**

I would like to welcome all our berth holders, visitors and service customers to Darthaven during 2023. It is now 47 years since we started on this site in Kingswear.

Initially, we just had two longish pontoons and a scrubbing grid. Being a small family business, we have continued to develop the site over many years to get to where we are today. With a team of qualified engineers, electricians, boat repairers, chandlery and a 40 tonne hoist, we are able to offer a full marine service to both our berth holders and outside customers.

We are also very proud to announce that Darthaven Services has been selected as the only Volvo Penta Centre in the South West region and will be supporting three Service Dealers in Salcombe, Mylor and Falmouth. This is a real feather in our cap and we look forward to what's ahead.

Darthaven has seen through the last two years or so of COVID in spite of some strong head winds. We have continued to invest both in the site and our staff. The major expenditure for this year is the new Berthing and Service Office, which will be completed by the end of May. I hope it looks as good when it is finished as it does on the plans.

I did have a sad day when the last link with Uphams, my father's yard in Brixham came to an end. Chris Martin retired after 40 years of working for the Holman family as a GRP boat repairer. We have been lucky to replace him with Karl Oakley who has now been with us for four years. We have taken on an engineering apprentice, Freddie, who will be training on site and through the new South Devon College Academy based at Noss.

Mango's On The Move will be open from the 1st of May serving coffee and delicious food until the end of August.

The new proprietor of the village shop has greatly improved the service and the range of products on sale.

The Steam Packet pub will reopen after an extensive refit serving both food and good beers in early March.

The village café is due to reopen and the coffee shop by the Post Office reopened late last year. There is also *Dolium*, the small Italian wine bar serving tapas and an excellent range of Italian wines.

The village also has an estate agent, *The Coastal House*, a Post Office and not to forget the *Royal Dart Yacht Club* where visiting yachts are most welcome.

All in all, the village has a lot to offer. It is also very easy to get to Dartmouth on the car or passenger ferries where there are a full range of shops and restaurants.

There are many fantastic walks to be done along the coast path or up the river although they can be strenuous. I also recommend a trip up the river either by tender or a ferry from Dartmouth. There is lots to see with an abundance of wildlife. More information about the area can be found towards the back of this Yearbook.

After the challenge of Covid over the past 2½ years, we are now grappling with high inflation and the prospect of a recession. I have tried to keep our prices as low as possible, limiting the increase this year to around 5 %. But our materials and overheads have, obviously, gone up by more and we need to retain a high quality workforce.

As it stands, our permanent berths are full for 2023 and we have a strong pipeline of servicing and repairs in place over the coming months. Our thanks to our many loyal customers for their continued support.

With our ongoing investment in both our staff and our infrastructure, we are in a strong position to offer a great service as always to our current customers, visitors and new customers to come wanting to use our facilities.

Let's hope for another good boating season ahead. I look forward to seeing you in 2023.

Best wishes

John Holman and all the staff

#### MARINA FACILITIES

**WI-FI** - is available both on the main Marina and visitors' pontoon. Visitors can obtain the guest access code from the Berthing Office upon payment of the visiting fee. To access Wi-Fi select the Darthaven Club Wi-Fi hotspot. Extra time can be purchased through the portal. If you have any problems with this service please call Club Wi-Fi on 01626 270140.

**Gas & Bottles** - a range of Calor Gas and Camping Gaz refill exchanges and new cylinders can be purchased from the Berthing Office.

**Launderette** - situated at the back of our facilities block, with two industrial washing machines and tumble dryers. A sink and ironing board are also provided. Both the washers and dryers are coin operated and can be accessed from 08:30 - 22:00. (£4 per wash, 20p per five minute drying cycle).

**Car Park** - over 230 car parking spaces are available for use by berth holders, visitors and general public. The car park operates a Pay & Display system with a Number Plate Recognition system, run by Premier Parking Solutions (PPS). Annual or 6 month permits can be arranged directly with PPS - 0845 8621034 - NOT through Darthaven.

**Electric Vehicles** - there are 4 EV car charging units for electric vehicles, immediately south of the main building. Please download the app **Charge Assist** if you wish to use the chargers.

**Waste & Recycling** - located opposite our Berthing and Service Office is the waste disposal area. We recycle as much waste product as possible and would greatly appreciate if, during your stay, you could do the same.

For the disposal of waste oil, please find the large green tank located under the railway bridge as
marked on the Marina Map (page 9). For used fuel and oil filters please use the allocated bins to the
right of the Engineering Workshop.

**Pyrotechnic Disposal** - in our Chandlery, we accept out of date flares only when purchasing replacements, so be sure to ask a member of our staff for more information. A small fee will apply per flare. Otherwise, a licensed contractor must dispose of all waste flares. **FIRE HAZARD!** - **DO NOT DISPOSE OF FLARES IN THE RECYCLING BINS** 

Security - CCTV operates 24 hours a day and monitored by our night staff on duty daily (7 days/week).

- Access to the Marina can only be gained by entrance through our electronic gates operated using an
  access code.
- Visitors should ask for the entrance code at the Berthing Office. This system is also in place in order to gain access to our facilities block and washroom areas.
- We operate a barrier entrance to the boatyard.

#### ON THE PONTOON

Darthaven Marina has 270 berths in total set over four main pontoons. We pride ourselves on keeping a clean and well- maintained environment throughout the year. **Water and electricity** outlets are available in every location and berth, along with well-lit walkways making for safe use during the evenings and at night. 16amp & 32amp electricity is available (32amp with selected berths only).

Berth holders are reminded to ensure their **mooring lines are suitable for winter storms etc** – if unable to get down to your boat or nervous about your boat's security over the winter, please give the Berthing Office a call and they will be happy to check on your behalf.

It's a good idea for berth holders to leave **boat keys** with the Berthing Office . . . just in case a problem arises in a boat owner's absence.

#### **BERTHING & SERVICE OFFICES**

At the top of the main bridge situated on the left is our **Berthing Office** – the Berthing Office staff are located in the office to assist all visiting boats and berth holders. Located on the right is our **Service Office** coordinated by Sam McNabb, Robin Coomer, Jo Wharton and Jess Kershaw. They are your first point of contact to organising works by any service department within Darthaven.

THE BERTHING OFFICE IS OPEN FROM 7.00AM TO 23.00 ALL YEAR ROUND

## **MARINA SAFETY**

## FOR YOUR SAFETY, DARTHAVEN MARINA EXPECTS...

- The wearing of lifejackets/buoyancy aids by all children under 14 years old when on the pontoons or aboard boats in the marina.
- Walk, don't run along the pontoons and do use the handrail on the access gangway.
- Cycles and scooters should only be ridden on the public road and not on the pontoons, the quay or any other part of the marina premises.
- For the benefit of all berth holders, dogs must be on a lead when on the quay, the pontoons, the car park indeed anywhere on the marina site. And do, please, ensure that no fouling occurs.
- Signs on the standpipes indicate that Darthaven Marina recommends that water be boiled before drinking when acquired through hoses.
- To avoid being a hazard to berth holders, trolleys should be returned to the area near the marina office after use. Do not overload them and no children in them at any time, please.
- No part of a boat, including its anchor, should overhang the walkways or pontoons.
- No items should be left on the pontoons or walkways at any time. This includes commercial fish boxes and diving bottles.
- If you have a fire on board, from your cockpit determine a sensible course of action . . . call the Fire service (999) . . . activate the fire alarm (by the Berthing Office) if practical. Maintain awareness if fire occurs anywhere in marina . .
- Take instructions from staff and/or emergency services.

## **BERTHING AND STORAGE**

#### SUMMER BERTHING

During the Summer months, a small number of annual berth holders visit various parts of the UK or Channel Islands for extended periods of time. Due to this, berths of all sizes can become available between April and September. Contact a member of the Berthing Office staff for details.

#### WINTER BERTHING

Darthaven is the perfect safe and secure environment to winter your boat. Due to the Marina's position, we are very sheltered even during the worst of weather. Bring your boat in from a swinging mooring, anchorage or trot for convenient 24hr access and onsite parking.

Water is included and electricity charged at a unit rate. Winter berths are available from the 1st of October to the 28th of February. Stay afloat on our sheltered and safe marina, subject to availability. £24 per metre + VAT, per month including access to our facilities.

## **NEW BOAT SALES**

Darthaven Marina are official dealers for both Beneteau Outboard (Antares & Flyer) and Williams Jet Tenders. Perfect for creating family memories spent on the water whether it's fishing, waterskiing or cruising the South West coast line, we are sure to have the perfect model to suit all your boating requirements. We offer a knowledgeable, experienced and friendly service that is second to none.

#### BENETEAU OUTBOARD

The Beneteau adventure began more than a century ago on the quays of Croix-de-Vie in Vendée, France. For more than 130 years, the core of the boatyard's profession has been innovation and a passion for yachting. Today, more than 100,000 Beneteau vessels have sailed the seas of the world. Their growing number of keen owners, share the same values of performance, modernity, safety and respect at the helm.

#### VMLVSER

A classic pilothouse boat for short cruises that will never go out of fashion. These fisher cruisers are safe and highly seaworthy thanks to a flared hull, and they enjoy the performance you only get from an outboard engine. The range of five outboard Antares are well-known for their cosy interiors and level of equipment making them a joy to own.

A stylish day-boat with a unique concept of an Air-Step® hull for a choice of two different deck plans. The SpaceDeck and SunDeck models are available in 9 spacious layouts between 6 and 10 metres.

Let the fun begin.

## WILLIAMS

Williams are the tenders of choice around the world because they work beautifully. Blending pure pleasure with practicality, getting from ship to shore has never been more stylish.

With unmatched function and reliability, the Williams product provides the service solution to a fast tender or small day boat. All of our technicians attend regular product and power unit training at the Oxfordshire based factory. Covering the entire South West, we are also able to provide servicing, repairs and warranty support as well as new sales.

Model shown: SportJet – DieselJet, MiniJet and TurboJet are also available.

## MARINE ENGINEERING

#### WHAT WE CAN DO:

#### ✓ INBOARD ENGINES, IPS, DRIVES & STERN GEAR

**Engine Servicing** - Let us do the dirty work with a full engine service using only genuine parts and service items.

**Outdrive Service** - Either full or intermediate, make sure your outdrive stays in tip top condition.

**Saildrive Service** - Changing your oil and anodes will help prolong the life of the saildrive to ensure it stays in great working order.

Your Propeller & Stern Gear - Having a clean prop improves efficiency. But we go just that bit further e.g. burnish propeller, strip (if folding) and grease, burnish rudder(s), P-bracket(s), shaft(s) & trim tabs. We will change trim tab, engine, prop shaft anodes etc.

**Winterise & Recommissioning** - Winterising your boat could save you thousands in damages during the cold months. Sea water within your engine can freeze and crack major components very quickly. We will protect against this with an antifreeze fluid flush.

#### **GENERATOR**

**Generator Service** - Keep your generator well maintained with an annual service and health check. We use only genuine parts. We are stockists for Cummins Onan service parts.

#### **OUTBOARD SERVICING & MAINTENANCE**

**Outboard Servicing** - Have your outboard engine serviced right here while at Darthaven. Our qualified technicians will carry out the necessary work so your outboard remains in fine working order. Free outboard engine winterisation with full service.

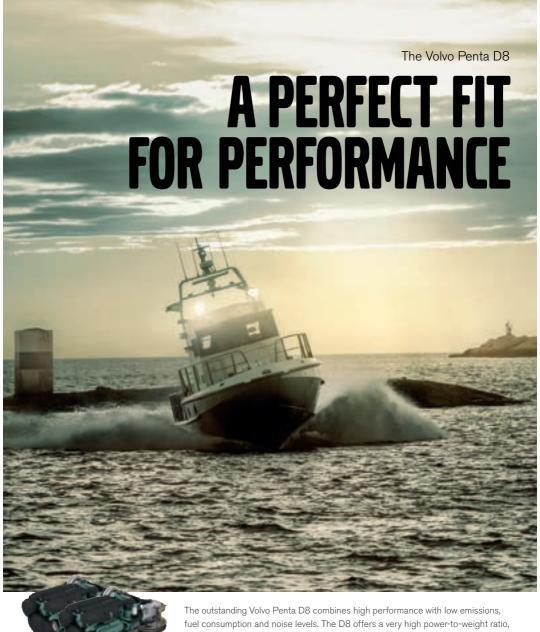

**Winterise/de-winterise** - Winterising your outboard will help protect it from winter conditions and maintain the internals of your engine including the fuel system.

**Storage** - Are you fed up with having to remove your heavy outboard for both safety and storage reasons? Let us remove, store and refit your outboard before re-launching in the spring (up to 10hp). Limited space available.

For more information please contact our Service office on 01803 752242 or email service@darthaven.co.uk

#### WHAT WE CAN DO:

#### General health check

Test batteries condition, report results and leave printout on-board. Check power leads and meters for damage that could cause harm to you or your vessel. Any issues found will first be reported, explained and resolved once confirmed. Up to 5 batteries and 1 shore lead included, more batteries will incur furthers costs.

#### Trim Tab function check

Let us check that your electric or hydraulic trim tabs are working correctly before your boat goes back in the water.

#### **Bonding check**

Are your anodes correctly protecting your under water stern gear? We will carry out a bonding check to ensure continuity.

For more information please contact our Service office on 01803 752242 or email service@darthaven.co.uk

#### CASE STUDY - BOATYARD, SHIPWRIGHTS & ENGINEERS

Name of boat: Osprey • LOA 31ft • Beam 11.2ft

1. Osprey in the tent ready for the cutting and fabrication of a new transom door to facilitate easier access to the boat from her tender as she is kept on a river mooring.

#### MAIN AREAS OF WORK:

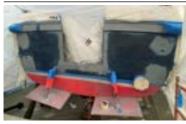

- Cutting and fabrication of a transom door to facilitate easier access to boat from tender as it is kept on a river mooring.
   Including repainting of transom, door and new vinyl boat name.
- Fitting of a larger bathing platform frame supplied by customer.
   Some modifications were required, new Iroko boards were fitted and a new retractable boarding ladder.
- · Tidy up of rubber fendering around boat.
- Engine service and repairs, clean stern gear and replace anodes.
- Strip out and tidy cockpit area, make new cockpit floor panels and seal with epoxy.
- Flexiteek applied to floor, engine cover and steps. (Subcontract)
- Renewal of cabin carpeting (Subcontract)
- · Antifoul and polish (Subcontract)

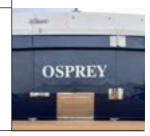

2. Osprey's old bathing platform ready to be removed, with the new bathing platform frame being made larger for additional space.

- 3. The rubber fendering around the edge of the boat has been removed and the new transom door has been cut out with all edges being sanded down and smoothed out.
- **4.** The transom door has now been sprayed back to its original colour. Where the old transom was, the cut out section has been used to make the door. The door now hung, has been fitted with all marine grade furniture.

**5.** All old holes from the old rubber fendering and bathing platform have been filled and faired in. The transom has now been tented in and has been primed ready for the next stages of spraying.

**6.** The cockpit area had been stripped out of all old flooring. New panels for the new cockpit area had been made using BS1088 18mm ply and coated with an epoxy to seal it. Once this was dry the new synthetic flexiteek was applied to the floor, engine cover and steps.

7. With the new bathing platform frame fitted, the new timber was fitted to the frame work to create a larger bathing platform. The specifically designed hinges used on the transom door were used so that the door would open square over the bathing platform.

#### CASE STUDY - BOATYARD, ENGINEERS, ELECTRICIANS -ZENITH

Name of Boat: No.9 · Make: Fairline · Model: Targa GT 48 · LOA: 48ft · Beam: 14ft

#### ANTIFOUL PREP

The entire hull was hand etched with P80 sandpaper and an underwater primer was applied in any necessary areas.

# **ANTIFOUL APPLICATION**Two thick and even coats of Hempel Hard Racing (Teccel edition) was applied.

#### **HULL POLISH**

The hull was acid washed (natural and safe acid) to remove deep staining and old polishes/waxes.

The antifoul was taped up to prevent

dragging the paint into the polish and any other delicate areas were taped. We then rotary machine cut and polished the hull.

**BATHING MECHANSIM CLEAN** 

A polymer wax was then applied and buffed off leaving and high gloss, swirl and hologram free shine. Brand new polishing pads are used on every boat.

#### SUPERSTRUCTURE POLISH

The gelcoat was acid washed and areas protected. We then machine rotary compound/cut the gelcoat to remove any fading and oxidisation. A machine orbital polisher was then used with a high gloss polish to remove cut marks, holograms and swirls, leaving a perfect finish. A hand applied polymer wax was applied to all polished areas and a double coat of wax on

hard to reach areas

The mechanism was acid and machine cleaned and hand cleaned in

#### IPS DRIVES

The IPS drives were etched with p80 sandpaper and 2 coats of trilux 33 applied

#### THRUSTER BLADES

The blades were removed, sanded, degreased and then coated with three coats of Hempel Eco Prop in Black. Then greased and refitted along with new nylock nuts and washers. A new anode was fitted. Medium strength thread lock was used.

#### TEAK CLEAN

The teak was treated with a two part acid treatment. We use 'teak friendly' pads to prevent damage to the grain.

# **WASTE & SUSTAINABILITY**

At Darthaven we are doing our best to limit our impact on the environment. 6 years ago we fitted 90 solar panels to the main office. Although not an ideal situation, they have produced 152 mwh of power. According to the supplier, this is the climate equivalent to planting 1,780 trees.

#### WASTE DISPOSAL

We linked up with Devon Contact Waste to remove our non-hazardous waste about 10 years ago. They now use all of the plastic waste they receive to produce garden seats/ tables on their site in Exeter. They are not the cheapest contractor but they are the greenest at the moment.

Hazardous waste is removed by Slicker Recycling to comply with regulations. The shed positioned near the engineer's workshop keeps the waste undercover and stops pollution entering the drainage system. Waste oil is collected in a holding tank. Oily rags, filters, etc are also collected. We also store and have removed both marine 12v & 24v batteries as well as everyday domestic batteries. Metal is stored and taken to Gormans for recycling.

6 years ago we fitted a FILTA BUND system to catch the pressure washing water used to clean the bottom of boats when they are lifted out. The system removes chemicals especially copper. The water then returns to the river cleaner than drinking water

#### **ENERGY CONSUMPTION**

Over the last few years, we have had a programme of replacing all of our lighting to LEDs. This is an on-going programme – we are over 80% of the way there.

In 2021, when we changed our vans, we purchased an all electrical van for the electricians – we also have one fully electric fork lift.

6 years ago we fitted a black water pump on our visitor's pontoon facilities. This was and may still be

the only one between Poole and Plymouth.

We have fitted new electrical cables and pontoon pedestals throughout the marina. These have LED's which are controlled by an app, giving owners control over what power they use.

#### SUSTAINABLE PRODUCTS

We stock a wide range of green products in our chandlery. These include non-chemical cleaning and polishing products. We sell Torqeedo electric outboards as their main South West area engine sales dealer. Our service teams also use as many green products as possible. As part of our winterisation process we have now switched to using Safeguard marine antifreeze which is non-toxic and environmentally friendly.

Clean it All, our onsite cleaner contractors, also use green products. The cleanliness is tested on a regular basis.

In 2022, we fitted 4 EV car charging units for electric cars. We have also fitted a covered bike store area in the car park to encourage berth holders, visitors and staff to cycle more often.

We continue to monitor our 'green' credentials and believe we have come a long way but we will continue to invest as appropriate.

#### **ANCASTA DARTMOUTH**

Ancasta Brokers are professional and experienced and ensure your total protection throughout the buying and selling process.

Ancasta Dartmouth is situated at Darthaven Marina and within close reach of the main car parking, village shops and chandlery.

There are two full time brokers working from the office. The moment you list your boat with this office, it is immediately available across our whole network – Falmouth to Brighton, Hamble to Southern France, Lymington to Palma. Please call/pop in for more information

Tel: 01803 752498

He can organise the delivery of your boat (motor or sail) in/around the UK, to the Continent and to the Mediterranean or simply between Brixham and Dartmouth or other local ports.

He can help with assisted passages, whether it's long range, abroad or simply up the River Dart, day or night.

He particularly enjoys helping boatowners get the best from their boats, ensuring they maximise their enjoyment and value for money.

He can offer hands-on boat handling tuition, pre season shakedowns, in-depth boating skills etc whether it's at a novice or Practical Yachtmaster level. Contact Charley via email -

charley@charleyhorton.co.uk or call 07775 991639.

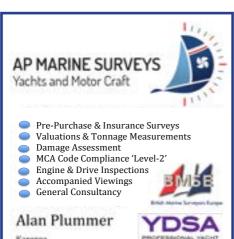

#### **ANOTHER PAIR OF HANDS**

#### **DART SAILS & COVERS**

We are an established loft in Dartmouth with over 20 years of experience in providing quality new made to measure sails.

We provide the whole service; from measuring, manufacturing, through to fitting and altering sails, as well as a repair service for your existing sails.

We also manufacture and repair canvas covers for your boat and outdoor structures. We have many years of experience in this area and have designed and built canvas covers for all types of boats and structures.

We have a custom built loft up in Townstal, Dartmouth - our large production area allows us to work on large sails and covers. There is plentiful customer parking.

We can also pick up your sails and covers for repairs and alterations from your boat at Darthaven or meet you on your boat to discuss your requirements.

One of our experienced team will come and measure up for any new sails and covers and we will deliver your sails back to you once the work is complete.

We also offer a full winter valet and service.

Call us on 01803 839196 to discuss your requirements.

#### **LRRIGGING**

#### **MAINSTAY YACHT MAINTENANCE**

Our specialty is the diversity of jobs we will do on your boat from basic maintenance, antifouling, polishing, indeed all the nasty bits that an owner might not want or have the time to do.

We look after both sailing and motor boats all year round particularly for owners who can't get to their boats often. We currently work on at least 30 boats regularly throughout the year as well as undertaking many ad hoc jobs on others.

If you're an absent boat-owner, we'll also prepare your boat before you visit, even topping up the fuel tanks, maximising the time you have to use the boat. We'll do the basic housekeeping, valet the boat and even fix the toilets if necessary.

We've got many years' experience of handling all sorts of boats from small to very large. If you need us to move your boat, perhaps organising its lift-out, then you can rely on us. Owners value our integrity knowing that we are reliable, competent and won't over-charge Contact Steve or Tracey on 07989 396471 or 07971 217947

#### **NETWORK YACHT BROKERS**

As a part of an expanding international group of 24 independent brokerage firms we cover the River Dart, Torquay, Brixham, Salcombe and the River Exe, where we have been the first choice of most boat owners in these areas for many years.

We offer a full, bespoke service to buyers and sellers and are happy to travel anywhere in our region to inspect or advise on boats, be they power or sail, and of any age, make or size.

By virtue of our multinational coverage, when selling through us your boat will be promoted throughout the UK and as far as Europe and the Mediterranean thereby reaching a wide range of potential buyers. All Network brokers work together to provide the best route to market

Our business is staffed by two full time brokers with offices at Premier Marina's picturesque Noss on Dart location, which emerges as a key South West destination following major redevelopment.

Both James and John will always be delighted to talk boats with you; do please get in touch. Tel: 01803 834864.

# THINGS TO SEE & DO

The surrounding area is not only a stunning place to visit – it boasts a huge variety of historic sites, entertainment and activities for all ages. We are lucky to have all of this on our doorstep! Here are some of the highlights of what you can get up to on and off the water during your visit to the Dart Estuary ...

## **Around Dartmouth**

#### **Dartmouth Castle**

Impossible to miss, Dartmouth Castle provides the focal point for many postcard shots of the Dart Estuary. Dating from 1488, it once protected the town from potential naval attack by a combination of a chain slung across the river mouth and a formidable collection of artillery. The castle and **St Petrox Church** are a must-see for anyone visiting the town. They can be accessed either by taking a short walk/drive from the Harbour Office or by the Castle ferry from Dartmouth Quay (opposite Rockfish). Also a Café with spectacular views across the Castle.

#### Britannia Royal Naval College

With an intriguing heritage spanning over 150 years, the BRNC is an essential place to visit for anyone with an interest in British history. Since 1863, Dartmouth and the River Dart have been the home of initial Naval Officer training in the UK – today, the BRNC is the only remaining Naval College in the country, fulfilling a vital role in training Naval cadets not only from Britain but those from the Commonwealth and all over the world.

**Guided and private tours** offer an informative narrative allowing visitors the opportunity to appreciate the history and relevance of the BRNC. Tel: 01803 677565.

#### The Flavel Arts Centre

With a growing reputation as one of the best small arts venues in Devon, the Flavel has entertainment every day, from live music and comedy, to lunchtime concerts and **cinema**. A packed programme is very popular with visitors and residents alike. With the Flavel Café as a perfect venue to meet and eat, the Flavel is also home to the Dartmouth Library, with free Wi-Fi. Tel: 01803 839530

#### Bayard's Cove

Originally Dartmouth's only wharf, Bayards Cove is a picturesque area protected by a fort at the southern end of the town. A perfect spot to indulge in a drink by the river at the Dartmouth Arms or Bayards Cove Inn, or enjoy an hour or two of crabbing!

#### St Saviour's Church

Constructed in the middle ages when the town began to develop on the foreshore of the river and parishioners no longer wished to struggle up the hill to reach the parish church of St Clement. Tel: 01803 835540

## THINGS TO SEE & DO (CONTINUED)

#### **Newcomen Engine House**

The Engine House (adjacent to the Dartmouth Visitor Centre) is home to the only original Newcomen engine that can be shown working. The machine, built in 1725, was a giant step forward in the history of engineering and was a key step along the path to the Industrial Revolution – well worth a visit for any budding engineers! Tel: 01803 834224

#### **Dartmouth Museum**

A small museum housed in an old merchant's house dating back to 1640. The museum houses an extensive collection of artefacts, models, paintings and photographs, which chronicle the maritime, social and economic history of Dartmouth. With things to interest young and old alike, Dartmouth Museum is well worth a visit. Tel: 01803 832923

# Along the coast

#### The Daymark, nr Kingswear

An 80ft octagonal limestone tower built in 1864 as a guide to mariners to the position of the harbour entrance. It is visible for many miles out to sea and is a true wonder of the South Devon coastline! Access via the South West Coastal Path from Froward Point, or park at Brownstone Car Park near Coleton Fishacre.

#### Blackpool Sands

An award-winning, privately managed 'Blue Flag' family beach with turquoise blue sea giving it an almost Mediterranean feel. Take a dip at this idyllic beach or enjoy organic Devon produce at the on site Café. Dogs not allowed during the summer. Nr Stoke Fleming. blackpoolsands.co.uk

#### Hallsands

Discover the haunting remains of the lost village of Hallsands, between Beesands and Start Point. Once a thriving community, the village was washed away by storms in 1917 following the short-sighted removal of a nearby beach. Now only a few ruined houses mark this haunting site. Access via a narrow lane to the car park and a short walk.

#### **Start Point Lighthouse**

Sited at the end of the headland on one of the most exposed peninsulas of the English Coast, the lighthouse has guided vessels in passage

along the English Channel for over 150 years. With guided tours, it is open to the public throughout the year. Check website startpointdevon.co.uk for visitor information.

Tel: 01803 771803

#### **Slapton Sands**

An extremely picturesque and popular dog-friendly beach, it plays an important part in the survival of some of the UK's rarest flora and fauna and is designated as an Area of Outstanding Natural Beauty. It is also home to a Sherman Tank that was sunk in action during Exercise Tiger (preparation for the Normandy landings in WWII) and has now been recovered. www.southdevonaonb.org.uk

## **National Trust**

Greenway was the beloved holiday home of the famous and much-loved author Agatha Christie and her family. Set on the banks of the Dart opposite Dittisham, the house contains many of the family's collections, including archaeology, Tunbridgeware, silver, botanical china and books and was the setting for the dramatisation of her murder mystery 'Dead Man's Folly', starring David Suchet. Check website for opening times There are many different ways to reach the property – by foot, car, ferry, or kayak. If arriving by car, call 01803 842382 to book a parking space (compulsory). # **LOCAL FESTIVALS & EVENTS 2023**

#### Dart Music Festival: 19, 20 & 21 May

Dartmouth dusts off its dancing shoes and comes alive in May with this 3 day musical extravaganza with an eclectic and exciting programme of free music. Over 100 acts perform in a range of venues around town with sounds of jazz, folk, classical music, latino funk and much more. Dartmusicfestival.co.uk

#### Dartmouth Royal Regatta: 23 - 26 August

The biggest of the town's many events which has been running for over 175 years attracting thousands of visitors for a wide range of events on and off the water. With rowing races, crabbing and pavement art competitions the town is buzzing with activity. Live music, a funfair and market stalls fill the town's embankment with lots for the family to enjoy. Enter the popular 'Spot the Oddity' competition and join the crowds in marvelling at the spectacular Saturday fireworks display. Dartmouthregatta.co.uk

#### Dartmouth Food Festival: 20 - 22 October

A 'must do' for foodies and loved by locals and visitors alike this is a landmark event in the culinary calendar. There is a party atmosphere from start to finish with stalls, demonstrations, talks and tasting opportunities all around town. This vibrant, volunteer-led and free event highlights the best of the South West bringing together great food, top chefs and a thriving community. Dartmouthfoodfestival.com

# **LOCAL WALKS**

There are some fantastic walks in this Area of Outstanding Beauty, some that start from the marina or just across the river in Dartmouth. The following information is provided by the South Devon AONB .

Further details about these and other walks are available on their website - www.southdevonaonb.org.uk If you have the appropriate app, you can download full details of the walks to a smart phone by pointing your phone at the relevant  $\Omega R$  code below.

Make sure you wear sturdy footwear for both these walks.

# Kingswear to Froward Point

Castles and cliffs, seals and skylarks, on a coastal circular walk rich in views, history and natural abundance.

Start: Darthaven Marina car park Distance: 5 miles (circular walk) Grade: Moderate to strenuous

Terrain: Coast path with some uneven sections

and long flights of steps; 2 steep descents; 1 steep ascent.

Obstacles & Steep Gradients: 2 Stiles; 4 flights of steps; 2 steep descents; 1 steep ascent.

OS map: Explorer 0L20. Grid Ref: SX885512

#### **Directions**

- 1. From Darthaven Marina, turn right out of the car park along the road, then bear right again towards Lower Ferry.
- 2. At Kingswear Village Hall, turn left up Church Hill (The Ship Inn & St Thomas Church opposite). At top of hill, at hairpin bend, turn right along Castle Road (not Beacon Lane).
- **3**. After 0.5 mile, turn right down wooden steps, signposted Froward Point 1½ m.
- **4**. Just past Mill Bay Cove, turn right onto private drive, and then left after 30m, up steps and through woods. Pass above Newfoundland Cove to Brownstone Battery. (To explore the Battery, drop down the path to the right by

### LOCAL WALKS & TRAILS (CONTINUED)

the Coastwatch station. Turn left by the first searchlight post, then left again following the 'acorn' waymarker. Fork left once more to wind back up to the Coastwatch lookout).

- **5**. Bear left onto the track signed 'HG Brownstone'. Past the Day Mark, fork left onto a green lane signed for Kingswear.
- **6**. Turn left at Brownstone and follow the footpath through the farm and past Crocker's Cottage crossing a small stream on large stones (taking care as, may be slippery). The footpath joins a private road. Bear left where the road forks, and then left again.
- 7. Follow Castle Road to Church Hill. Turn left down Alma Steps. Retrace your steps past the steam railway, and fork left past the bus shelter to the car park.

# Kingswear to Greenway

One of the area's truly great walks, this ramble follows the wooded banks of the broad and beautiful river Dart, on a route crammed with gems and jewels of human and natural history.

Start: Darthaven Marina Car Park

Distance: 4.5 miles
Grade: Moderate

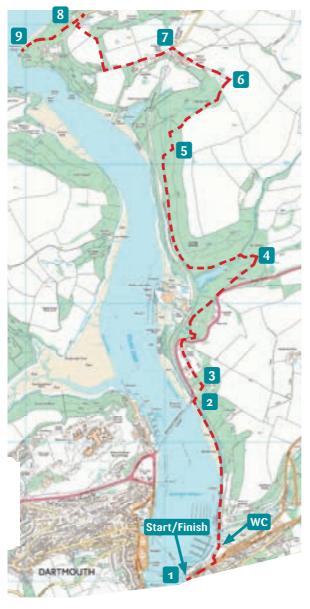

Terrain: Footpaths, fairly even, occasionally muddy through fields in wet weather; surfaced roads.

Obstacles & Steep Gradients: 5 stiles; 2 flights of steps; 2 steep climbs. This route is not suitable for wheelchairs or pushchairs.

OS map: Explorer 0L20. Grid Ref: SX 878515

#### Directions

- 1. From Darthaven Marina, by the railway level crossing follow yellow marked footpath alongside railway line. Head North with the river on your left.
- 2. At the Higher Ferry slipway, turn right over the level crossing and up road. Just beyond public toilets, bear right up ramp and steps to climb through woods.
- 3. At t- junction, turn left along drive, signed 'Greenway Ferry and Maypool'. Then at main road take footpath opposite and to left down steps and through woods. Take care crossing this road as ferry traffic turns at this sharp bend with limited visbility. At the tarmac drive take footpath opposite and to right, leading into Long Wood.
- **4**. At t- junction in woods, turn left and follow track through woods above river. Track eventually curves to right and uphill. Turn left along terrace path.
- **5**. After steep climb, turn left and follow path. Part way down hill, cross into field to right over stile and continue down along hedge line.
- **6**. At field exit turn left, signed 'Greenway

Gardens ¾m'. Pass through gate and down track past houses. Turn left at road.

- 7. Continue along the lane and through gate. By Greenway Estate information panel turn right through gate. Once over brow of hill bear left down field edge path. At the bottom turn right along Greenway Drive.
- **8**. By the lodge house turn left down road to quay.
- **9**. To return to Kingswear. From here you can take a ferry to Dittisham and continue, following the Dart Valley Trail, back to Dartmouth. Alternatively you can take a ferry back to Dartmouth from Dittisham, or retrace your steps on this side of the estuary.
