South Devon Magazines 

WELCOME

As CEO I would like to welcome all our berth holders, service customers and visiting boat owners to our marina during 2024.

As we approach 50 years since my family took over the railway siding, coaling wharf and Royal Dart building we have come a long way. On site we have 270 berths, a visitors/works pontoon along with a chandlery and a 40 tonne travel hoist. We also have a service team of qualified marine engineers, electronic/electrical engineers and boat repairers for GRP and wooden boats. This enables us to offer a one stop shop for all marine services to our berth holders and local customers.

We continue to develop our facilities to provide the best service we can in a comparatively small area. Over the last two years we have built a new marina/service office on the quay. We are in the process of a total refurbishment of our shower block and foyer for opening at the beginning of May. The rolling programme of pontoon renewal and maintenance means they are kept up to a high and safe standard. The rest of the site has also been improved with an area of the carpark concreted and the boundary fence replaced plus other tidying up jobs.

The major development for Darthaven Services is the purchase of the trade and assets of Marine Engineering Looe based at Queen Anne's Battery, Plymouth. This will enhance our position as Volvo Penta's main direct dealer in the southwest. We will also be supplying parts and supporting four other indirect dealers. We have employed two of their engineers and two parts staff. We intend to employ two more engineers, one for Kingswear and one for Plymouth so we can deliver on increasing demand.

I am very hopeful we have sold the last of the units in the Royal Dart building on the quay by the passenger ferry. We can then set up a management company to take over the freehold

and running costs of the whole building.

Since Covid the village has come back to life. There is a thriving village shop, a café, two pubs, a small wine bar, a coffee shop, a post office, an estate agent and the Royal Dart Yacht Club where visiting boat owners are welcome. The village offers most of what visiting boats owners would need. We also have a seasonal catering unit on site offering coffee and a range of snacks. It is easy to get across to Dartmouth either by dinghy or on one the ferries leaving from the quay. The town has plenty to offer including a wide range of pubs, cafés and restaurants. There is an M&S Simply Food store as well as a Co-op supermarket along with a range of other shops in the lower part of the town and a Sainsbury's and Lidl at the top of the town.

You'll find plenty of walks in the area around Kingswear and Dartmouth. Maps showing walks that start from the marina are printed in this Yearbook and more are available from the Kingswear Post Office. I recommend a trip up the beautiful river either in your dinghy or on one of the ferries from Dartmouth's Town Quay. There is lots to see with an abundance of wild life. There are also two National Trust properties nearby at Coleton Fishacre and Greenway and taking the steam train to Paignton from adjacent to the marina is a must do! There is plenty to see or do locally in this beautiful environment.

We are pleased to say demand for our permanent berths and services is proving very resilient. Our thanks goes out to all our loyal customers. With our ongoing investment in both our staff and the site, I believe we can continue to offer a professional service in the present difficult economic environment.

After the very wet and windy winter and early spring let's hope we can all enjoy a warm and pleasant boating season.

Best wishes

John Holman and all the staff at Darthaven Marina.

THE MARINA

Established for more than 45 years, Darthaven boasts 270 berths and a large visitors pontoon located next to the hoist lifting bay. We are located on the eastern side of the River Dart in the stunning South Hams countryside surrounded by glorious rolling hills and opposite the historic and famous town of Dartmouth.

- ✓ Sheltered, safe walk-on berthing for 270 boats.
- ✓ Excellent shore facilities plus launderette.
- ✓ Visitors' pontoon fitting up to 12 - 24 boats rafted.
- ✓ 40 tonne travel hoist available at all states of the tide.
- ✓ All berths with water & electricity.
- ✓ Winter storage ashore, with water & electricity.
- ✓ Winter berths available upon request.
- ✓ Rubbish disposal, including waste recycling options.
- ✓ Holding waste water tank pump out facility.
- ✓ Car parking.
- ✓ WI-FI broadband internet connectivity.
- ✓ Well stocked chandlery open 7 days a week.

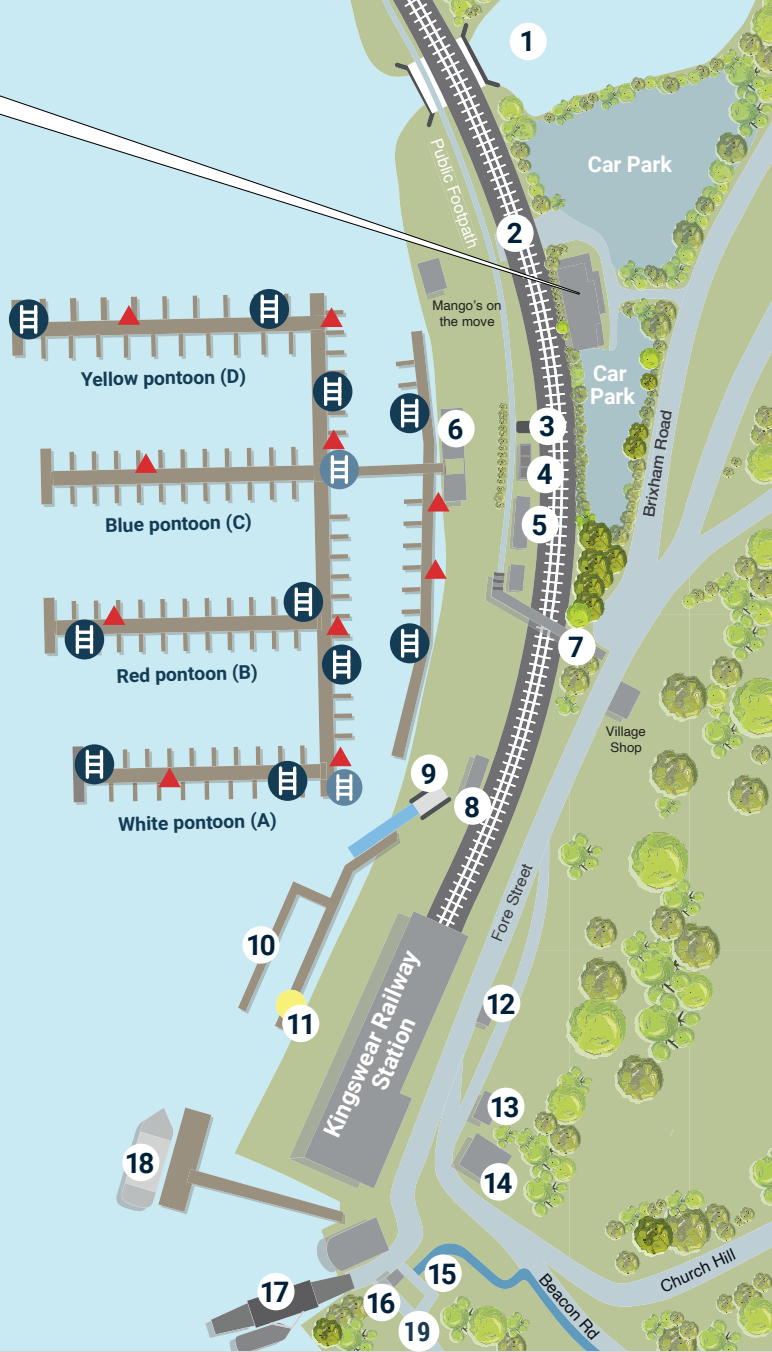

Annual Berthing Tariffs

Please contact the service office for information and pricing

All charges are based on overall length of boat which includes pushpits, pulpits, anchors, outboards etc.

MARINA FACILITIES

Wi-Fi - is available both on the main Marina and visitors' pontoon. Visitors can obtain the guest access code from the Berthing Office upon payment of the visiting fee. To access Wi-Fi select the Darthaven Club Wi-Fi hotspot. Extra time can be purchased through the portal. If you have any problems with this service please call Club Wi-Fi on 01626 270140.

Gas & Bottles - a range of FloGas and Camping Gaz refill exchanges and new cylinders can be purchased from the Berthing Office.

Lauderette - situated at the back of our facilities block, with two industrial washing machines and tumble dryers. A sink and ironing board are also provided. Both the washers and dryers are coin operated and can be accessed from 08:30 - 22:00.
(£4 per wash, 20p per five minute drying cycle).

Car Park - over 230 car parking spaces are available for use by berth holders, visitors and general public. The car park operates a Pay & Display system with a Number Plate Recognition system, run by Premier Parking Solutions (PPS). Annual or 6 month permits can be arranged directly with PPS - 0845 8621034 - NOT through Darthaven.

Electric Vehicles - there are 4 EV car charging units for electric vehicles, immediately south of the main building. Please download the app **Charge Assist** if you wish to use the chargers.

Waste & Recycling - located opposite our Berthing and Service Office is the waste disposal area. We recycle as much waste product as possible and would greatly appreciate if, during your stay, you could do the same.

- For the disposal of waste oil, please find the large green tank located under the railway bridge as marked on the Marina Map (page 9). For used fuel and oil filters please use the allocated bins to the right of the Engineering Workshop.
-

Pyrotechnic Disposal - in our Chandlery, we accept out of date flares only when purchasing replacements, so be sure to ask a member of our staff for more information. A small fee will apply per flare. Otherwise, a licensed contractor must dispose of all waste flares. **FIRE HAZARD! - DO NOT DISPOSE OF FLARES IN THE RECYCLING BINS OR ANY OTHER WASTE BIN**

Security - CCTV operates 24 hours a day and monitored by our night staff on duty daily (7 days/week).

- Access to the Marina can only be gained by entrance through our electronic gates operated using an access code.
 - Visitors should ask for the entrance code at the Berthing Office. This system is also in place in order to gain access to our facilities block and washroom areas.
 - We operate a barrier entrance to the boatyard.
-

ON THE PONTOON

Darhaven Marina has 270 berths in total set over four main pontoons. We pride ourselves on keeping a clean and well-maintained environment throughout the year.

Water and electricity outlets are available in every location and berth, along with well-lit walkways making for safe use during the evenings and at night. 16amp & 32amp electricity is available (32amp with selected berths only).

Berth holders are reminded to ensure their **mooring lines are suitable for winter storms etc** – if unable to get down to your boat or nervous about your boat's security over the winter, please give the Berthing Office a call and they will be happy to check on your behalf. It's a good idea for berth holders to leave **boat keys with the Berthing Office** . . . just in case a problem arises in a boat owner's absence.

BERTHING & SERVICE OFFICES

At the top of the main bridge situated on the left is our **Berthing Office** – the Berthing Office staff are located in the office to assist all visiting boats and berth holders.

Located on the left is our **Service Office** coordinated by Chris Cook, Robin Coomer, Jo Wharton and Jess Kershaw. They are your first point of contact to organising works by any service department within Darhaven.

**THE BERTHING
OFFICE IS OPEN
FROM 7.00AM TO
23.00 ALL YEAR
ROUND**

MARINA SAFETY

FOR YOUR SAFETY, DARTHAVEN MARINA EXPECTS. . .

- The wearing of lifejackets/buoyancy aids by all children under 14 years old when on the pontoons or aboard boats in the marina.
- Walk, don't run along the pontoons – and do use the handrail on the access gangway.
- Cycles and scooters should only be ridden on the public road and not on the pontoons, the quay or any other part of the marina premises.
- For the benefit of all berth holders, dogs must be on a lead when on the quay, the pontoons, the car park – indeed anywhere on the marina site. And do, please, ensure that no fouling occurs.
- Signs on the standpipes indicate that Darthaven Marina recommends that water be boiled before drinking when acquired through hoses.
- To avoid being a hazard to berth holders, trolleys should be returned to the area near the marina office after use. Do not overload them – and no children in them at any time, please.
- No part of a boat, including its anchor, should overhang the walkways or pontoons.
- No items should be left on the pontoons or walkways at any time. This includes commercial fish boxes and diving bottles.
- If you have a fire on board, from your cockpit determine a sensible course of action . . . call the Fire service (999) . . . activate the fire alarm (by the Berthing Office) if practical. Maintain awareness if fire occurs anywhere in marina.
- Take instructions from staff and/or emergency services.

THE SMARTER WAY TO EASY BOATING

Pioneering joystick control

Volvo Penta was the first to pioneer joystick technology for leisure boating. We've come a long way since then. Available for Aquamatic Sterndrive, Volvo Penta IPS and Diesel Inboard applications, the joystick puts docking, close-quarter maneuvering and high-speed cruising at your fingertips.

BERTHING AND STORAGE

SUMMER BERTHING

During the Summer months, a small number of annual berth holders visit various parts of the UK or Channel Islands for extended periods of time. Due to this, berths of all sizes can become available between April and September. Contact a member of the Berthing Office staff for details.

WINTER BERTHING

Darthaven is the perfect safe and secure environment to winter your boat. Due to the Marina's position, we are very sheltered even during the worst of weather. Bring your boat in from a swinging mooring, anchorage or trot for convenient 24hr access and onsite parking. Water is included and electricity is charged through our online system Berth Master, which our berthing team will help you set up on arrival. Winter berths are available from the beginning of October to the end of February. Stay afloat on our sheltered and safe marina, subject to availability. The use of our on-site facilities are also available for use during your time here at Darthaven. Access to the facilities can be gained through the Berthing Office. Please contact our Berthing Office for information and availability for Winter berthing.

- ✓ **Winter afloat - priced per metre + VAT, per month.**
- ✓ **One car parking space included.**
- ✓ **Safe & secure environment. Evening staff on duty 7 days a week.**

STORAGE ASHORE

Storage ashore available all year around.

- ✓ **Electricity & water supplies.**
- ✓ **Well-drained hard standing floor.**
- ✓ **Temporary storage tents available.**
- ✓ **Safe & secure environment. Evening staff on duty 7 days a week.**

VISITING YACHTS

Visitor berths are available all year round and are located next to the main Marina. Arranged in the shape of an H, this pontoon can accommodate up to 12 to 24 boats rafted during the busiest periods. Visitors are always advised to call ahead, ensuring one of the Berthing team is aware of your planned arrival.

Due to high demand, we are unable to reserve berths in advance during the Summer months but will always do our utmost to accommodate vessels of all sizes up to 20m (65ft). Payment is due upon arrival.

Visiting yachts are requested to vacate the berth by 12:00 midday on the intended day of departure.

Contact us on VHF channel 80 or tel 01803 752545 or 01803 752242 (option 1).

Navigable at all states of tides.

Accessible in all weather conditions.

Dedicated visitor pontoon to accommodate up to 12 to 24 boats rafted.

Wi-Fi, Electricity & Water.

NEW BOAT SALES

Darhaven Marina are official dealers for both Beneteau Outboard (Antares & Flyer) and Williams Jet Tenders. Perfect for creating family memories spent on the water whether it's fishing, waterskiing or cruising the South West coast line, we are sure to have the perfect model to suit all your boating requirements. We offer a knowledgeable, experienced and friendly service that is second to none.

BENETEAU OUTBOARD

The Beneteau adventure began more than a century ago on the quays of Croix-de-Vie in Vendée, France. For more than 130 years, the core of the boatyard's profession has been innovation and a passion for yachting. Today, more than 100,000 Beneteau vessels have sailed the seas of the world. Their growing number of keen owners, share the same values of performance, modernity, safety and respect at the helm.

ANTARES

A classic pilothouse boat for short cruises that will never go out of fashion. These fisher cruisers are safe and highly seaworthy thanks to a flared hull, and they enjoy the performance you only get from an outboard engine. The range of five outboard Antares are well-known for their cosy interiors and level of equipment making them a joy to own.

A stylish day-boat with a unique concept of an Air-Step® hull for a choice of two different deck plans. The SpaceDeck and SunDeck models are available in 9 spacious layouts between 6 and 10 metres.

Let the fun begin.

WILLIAMS JET TENDERS

Williams are the tenders of choice around the world because they work beautifully. Blending pure pleasure with practicality, getting from ship to shore has never been more stylish.

With unmatched function and reliability, the Williams product provides the service solution to a fast tender or small day boat. All of our technicians attend regular product and power unit training at the Oxfordshire based factory. Covering the entire South West, we are also able to provide servicing, repairs and warranty support as well as new sales.

Williams | TurboJet

Model shown: TurboJet - DieselJet, MiniJet and SportsJet are also available.

TORQUEEDO

NEW PRODUCT SALES

SUZUKI MARINE SALES & SERVICE - SOUTH WEST

Darhaven Services is your local Suzuki Marine dealer for the South Hams and Torbay area. We stock a comprehensive range of repair, service and maintenance parts located on the 1st floor above our Chandlery.

- ✓ Friendly & helpful advice with a dedicated Service Office team
- ✓ Suzuki Marine new outboard sales
- ✓ Service, repair & diagnostics
- ✓ Suzuki parts & accessories

Re-powering your boat with a new Suzuki outboard has never been so easy. Understanding your exact requirements, from estimate to handover, we deliver in transforming your boating experience with the latest market-leading Suzuki Outboards. Quiet, fuel efficient and reliable, you won't be disappointed.

Our technicians are Suzuki Marine qualified, receiving regular manufacture training to stay up to date with the latest technology. Suzuki Marine are the first outboard manufacturer to introduce contra-rotating propellers available on their DF325, DF350 and now the new DF300B, the largest and most powerful outboards in the range.

YANMAR MARINE

Darhaven is a sales & service dealer for both Yanmar leisure and commercial marine diesel engines. Our engineers have years of experience and are fully trained and certified.

We hold a comprehensive stock of Yanmar service items and spares, so whether it's a new engine, annual service or emergency repair, we can offer a hassle free professional service.

Are you thinking of re-powering or having your Yanmar overhauled? Darhaven can tailor a service to suit you exactly. With friendly experienced onsite technicians and our dedicated service office, you can be assured your requirements will be met and carried out to the highest standard.

SERVICE AND SALES

DARTHAVEN SERVICES ARE YOUR LOCAL SUZUKI MARINE APPROVED DEALER FOR SERVICE, SALES AND PARTS. THE ULTIMATE 4 STROKE OUTBOARDS 2.5HP TO 350HP.

HAULING

LIFT, LAUNCH & STORAGE

Lifting your yacht or motorboat at Darthaven is a stress free experience, our hoist benefits from being able to lift and launch at all states of tide.

Our holding pontoon allows easy access and time to prepare before being lifted ashore.

The Quayside team have years of experience in lifting all types of vessels and treat each boat with care and attention. Once on the quayside our expansive clean, concreted surfaces make for a pleasurable working environment with easy access to electric and water points.

40 tonne travel hoist operating at all states of tide

Lifting boats up to 20 metres in length and 4.95m in beam

2 tonne crane at 4.5m for stepping and un-stepping masts and engine removal

An easy to access holding pontoon for boats up to 20 metres in length

High-pressure wash downs and racing scrubs.

Temporary storage tents available

Whilst your boat is stored ashore the boatyard staff are very happy to move cradle legs and shores to help with maintenance access; please do not be tempted to move these yourself.

All boats stored over winter ashore are launched at the end of the winter period unless otherwise stipulated.

Due to the number of vessels we lift and relaunch each day, we cannot always guarantee an exact time. When booking with Darthaven, one of our Service Office team will advise you when best to arrive.

SERVICE	WHAT WE DO FOR YOU...	CONDITIONS
Lift & block/cradle, wash and relaunch (travel hoist)	Included in this service is the lifting, wash, store for a week and relaunch upon your request.	Any boat or style
Lift & stow or onto transport	This service includes lifting your boat onto transport	Any boat or style
Launch off transport or relaunch from ashore	Safely removing your boat off of transport using our travel hoist	Any boat or style
Lift for survey or extended works	Pressure wash not included in price but available at additional cost if required	Any boat or style
Storage ashore	Stay ashore in our safe and secure yard with access to electricity and water.	All year round
Quick lift	Lift, pressure wash and immediate relaunch	All year round
Pressure wash	Lift, pressure wash, relaunch - badly fouled boats will require being scraped before being pressure washed	Any boat or style
Racing scrubs (lightly fouled)	Lift, pressure wash, relaunch + sling move	Yachts only up to 12 metres
Hoist crane & driver	Yacht masts – stepping & unstepping	Up to 12m (over 12m P.O.A)
Small/trailer boats	Under 6m. Lift onto trailer	Assumes trailer is set up for boat
2 tonne hoist – crane & driver	e.g. removal & installation of engines (each way)	

PLEASE SEE WEBSITE FOR SERVICE COSTS

Electricity - All boats staying longer than one week must create a BerthMaster account. This is an online system that allows you to control and view your electricity connection and consumption via your phone or computer from wherever you are.

CHANDLERY & PARTS

Darhaven has a large onsite Chandlery and parts department located a stone's throw away from the marina.

It's well stocked with everything imaginable to cover your every boating repair. Whether it's lighting, hardware, anodes, safety equipment or maintenance products, we are sure to have exactly what you're looking for. We will also look to price match with online retailers on like for like products.

Darhaven Services is one of the largest UK stockists of Volvo Penta parts and accessories. We hold thousands of parts and services items right here on site serviced by our knowledgeable parts team.

YANMAR

WHAT WE CAN DO:

✓ INBOARD ENGINES, IPS, DRIVES & STERN GEAR

Engine Servicing - Keep your engine well maintained with a full engine service using only genuine parts and service items.

Outdrive Service - Either full or intermediate, make sure your outdrive stays in tip top condition.

Saildrive Service - Changing your oil and anodes will help prolong the life of the saildrive to ensure it stays in great working order.

Your Propeller & Stern Gear - Having a clean prop improves efficiency. But we go just that bit further e.g. burnish propeller, strip (if folding) and grease, burnish rudder(s), P-bracket(s), shaft(s) & trim tabs. We will change trim tab, engine, prop shaft anodes etc.

Winterise & Recommissioning - Winterising your boat could save you thousands in damages during the cold months. Sea water within your engine can freeze and crack major components very quickly. We will protect against this with an antifreeze fluid flush.

✓ GENERATOR

Generator Service - Keep your generator well maintained with an annual service and health check. We use only genuine parts. We are stockists for Cummins Onan service parts.

✓ OUTBOARD SERVICING & MAINTENANCE

Outboard Servicing - Have your outboard engine serviced right here while at Darthaven. Our qualified technicians will carry out the necessary work so your outboard remains in fine working order. Free outboard engine winterisation with full service.

Winterise/de-winterise - Winterising your outboard will help protect it from winter conditions and maintain the internals of your engine including the fuel system.

Storage - Are you fed up with having to remove your heavy outboard for both safety and storage reasons? Let us remove, store and refit your outboard before re-launching in the spring (up to 10hp). Limited space available.

For more information please contact our Service office on 01803 752242 or email service@darthaven.co.uk

ELECTRICAL & ELECTRONICS CONTD.

WHAT WE CAN DO:

✓ **General health check**

Test batteries condition, report results and leave printout on-board. Check power leads and meters for damage that could cause harm to you or your vessel. Any issues found will first be reported, explained and resolved once confirmed. Up to 5 batteries and 1 shore lead included, more batteries will incur further costs.

✓ **Trim Tab function check**

Let us check that your electric or hydraulic trim tabs are working correctly before your boat goes back in the water.

✓ **Bonding check**

Are your anodes correctly protecting your under water stern gear? We will carry out a bonding check to ensure continuity.

PLEASE CONTACT OUR SERVICE OFFICE FOR PRICING TO SUIT YOUR BOAT

TERMS & CONDITIONS

- All prices shown are per metre excluding VAT unless otherwise stated.
- Polishing superstructure or wholeboat options includes radar arches and flybridge areas.
- Treatment prices are based on a measurement taken from the furthest forward and stern point.
- The treatment end results are governed by the quality of gelcoat and the general condition of the exterior of the boat.
- Treatment prices exclude tenders and toys that are stored onboard.
- Treatment prices exclude seat covers, canvas covers etc. Separate additional treatments are available for these items upon request.
- Prices exclude any gelcoat repairs. These are available if required by separate estimate. Please call our service office to arrange for an estimate.
- Antifouling 1.5 coats includes applying a 2nd coat from the water line 40cm down, keel & rudder.
- These prices do not include lift, wash or re-launch.
- Our antifouling package prices assume the hull is in suitable condition to correctly apply the antifouling.
- Any further preparation needed will be estimated before any works commence.
- Outdrive antifouling includes the preparation and spraying of both the drive and transom shield.
- Saildrive antifouling includes the preparation and painting of the saildrive leg.
- Prices valid until the 1st of September 2024.

For more information please contact our Service office on 01803 752242 or email service@darthaven.co.uk

CASE STUDY – BELLA MARIA

Annual maintenance

1. Hull Polish The hull was acid washed (natural and safe acid); this helps remove deep staining and old polishes/waxes and contaminates. The antifoul was taped up to prevent dragging the paint into the polish and any other delicate areas were taped. We then rotary machine cut and polished the hull. A polymer wax was then applied and buffed off leaving a high gloss finish. Brand new polishing pads are used on every boat.

2. Rubbing Strake Polish The gelcoat was acid washed (natural and safe acid) and areas protected. We then machine rotary compound/cut the gelcoat to remove any fading and oxidation. A machine orbital polisher was then used with a high gloss polish to remove cut marks, leaving a high gloss finish. A hand applied polymer wax was applied to all polished areas.

3. Antifoul Preparation & Application The entire hull was hand etched with P80 sandpaper and an underwater primer was applied in any necessary areas. The waterline marked and raised by 1". The line was etched, cleaned and two coats of underwater primer applied. One thick and even coat of Hempel Hard Racing (Teccel edition) was applied. The first coat was left to cure prior to applying the second coat to the sides and the bow.

5. Bathing Platform Antifoul Application & Anodes Prop acid was applied to the metal work. This was then thoroughly rinsed before the area was machine cleaned with a wire wheel. The mechanism was machine and hand etched with P80 sandpaper, all delicate areas were taped. One even coat of Hempel Underwater primer was applied and left to cure. Two thick and even coats of International Trilux 33 were then applied.

4. Thruster Blade Removal, Refit & Anodes *Removal:* The blades were removed, sanded, degreased and then coated with primer and three coats of Hempel Eco Prop in black. *Refit:* This was greased and refitted along with new nylock nuts and washers. *Anodes:* Two new anodes were fitted. Medium strength thread lock was used (blue).

6. Trim Tab Antifoul Application & Anodes The trim tabs were machine cleaned with a wire wheel to remove all of the marine growth/build up. These were then etched with P80 sandpaper. One even coat of Hempel Underwater primer was applied and left to cure. Two thick and even coats of International Trilux 33 were then applied.

7. Bathing Mechanism Anodes Six new Technoseal disc mechanism anodes were fitted with new nylock nuts and washers.

8. Trim Tab Anodes Two new Technoseal trim tab anodes were fitted with new nylock nuts and washers.

CASE STUDY – LIQUID ASSET

Annual maintenance

HULL POLISH

The hull was acid washed (natural and safe acid) this helps remove deep staining and old polishes/waxes.

The antifoul was taped up to prevent dragging the paint into the polish and any other delicate areas were taped.

We then rotary machine cut and polished the hull.

A polymer wax was then applied and buffed off leaving a high gloss, swirl and hologram free shine. Brand new polishing pads are used on every boat.

ANTI-FOUL PREPARATION & APPLICATION

Preparation: The entire hull was hand etched with P80 sandpaper and an underwater primer was applied in any necessary areas.

Application: One thick and even coat of Hempel Tiger Extra (Teccel edition) was applied. A second coat was applied to high friction areas including the keel and rudders.

SUPERSTRUCTURE POLISH

The gelcoat was acid washed (natural and safe acid) and areas protected. We then machine rotary compound/cut the gelcoat to remove any fading and oxidation. A machine orbital polisher was then used with a high gloss polish to remove cut marks, holograms and swirls, leaving a perfect finish. A hand applied polymer wax was

applied to all polished areas and a double coat of wax on the coach roof and high UV areas.

Brand new polishing pads are used on every boat.

SAIL DRIVE ANTI-FOUL PREPARATION & APPLICATION

Three thick and even coats of Hempel Eco prop in grey was applied to the sail drive.

BOW THRUSTER REMOVAL, REFIT & ANODES

The blades were removed, sanded, degreased and then coated with three coats of Hempel Eco Prop in Black.

They were then greased and refitted along with new nylock nuts and washers. A new anode was fitted. Medium strength thread lock was used (blue).

AUTHORISED MARINE SERVICES

ANOTHER PAIR OF HANDS

Charley Horton, based in Kingswear, is a professional sailor (Yachtmaster - Commercially Endorsed) with many years of experience.

He can organise the delivery of your boat (motor or sail) in/around the UK, to the Continent and to the Mediterranean or simply between Brixham and Dartmouth or other local ports.

He can help with assisted passages, whether it's long range, abroad or simply up the River Dart, day or night.

He particularly enjoys helping boatowners get the best from their boats, ensuring they maximise their enjoyment and value for money.

He can offer hands-on boat handling tuition, pre season shakedown, in-depth boating skills etc whether it's at a novice or Practical Yachtmaster level.

Contact Charley via email - charley@charleyhorton.co.uk or call 07775 991639.

A P MARINE SURVEYS

I am an independent sailing yacht, motor boat and commercial vessel marine surveyor based in Salcombe, South Devon and able to offer the following professional services throughout the West Country and further afield if required.

As an Accredited Member of the YDSA (Yacht Designers and Surveyors Association) and a full BMSE member (British Marine Surveyors Europe), I work within the YDSA Code of Practice and carry full professional and public liability insurance. My services are recognised by major insurance providers.

- Pre-Surveys • Insurance Renewal Surveys
- Tonnage Measurements • Valuations
- Pre Inspection & Accompanied Viewings • Hull and Deck Surveys • Insurance Damage Assessment & Investigation • MCA Level 2 Code Compliance Certification • Winter Layup & Prelaunch Inspections
- Osmosis Inspections • Engine & Drive Inspections
- General Consultancy

Please call 07557 145566 or 01548 843552 for a no obligation quote and free general advice.

CLEAN IT ALL

Based a short distance from Darthaven Marina, we offer boat owners the following services:

- Full or partial valets to your requirements
- Polishing of topsides and superstructures
- Steam cleaning of engines
- Cleaning of engine room and bilges
- Cleaning of carpets and upholstery, stain protection
- Cleaning of teak work, stainless steel and sails
- Regular contracts welcome
- Cleaning of covers and canopies

Phone 01803 844 564 for more information on our services.

DART SAILS & COVERS

We are an established loft in Dartmouth with over 20 years of experience in providing quality new made to measure sails.

We provide the whole service; from measuring, manufacturing, through to fitting and altering sails, as well as a repair service for your existing sails.

We also manufacture and repair canvas covers for your boat and outdoor structures. We have many years of experience in this area and have designed and built canvas covers for all types of boats and structures.

We have a custom built loft up in Townstal, Dartmouth - our large production area allows us to work on large sails and covers. There is plentiful customer parking.

We can also pick up your sails and covers for repairs and alterations from your boat at Darthaven or meet you on your boat to discuss your requirements.

One of our experienced team will come and measure up for any new sails and covers and we will deliver your sails back to you once the work is complete.

We also offer a full winter valet and service.

Call us on 01803 839196 to discuss your requirements.

L R RIGGING

As Darthaven's onsite riggers, we are happy to offer a full range of rigging services for cruising and racing yachts including standing and running rigging replacement, rope splicing, the supply, service and fitting of furling gear, installation and servicing of winches, mooring lines, guardwires, stainless steel design and fabrication and more.

We are an authorised Harken service centre and recommended rigger.

CLEAN IT ALL

- * Full boat valeting service including carpet, upholstery and odour removal.
- * Specialist surface treatments for all year round protection... polishing topsides and superstructure.
- * Surface protectants including topcoat protectors...cleaning decks, engine room and bilges.
- * Self cleaning products for teak.
- * Cleaning treatments for canopies & covers.
- * Regular contracts, one off cleans as required to suit your requirements.
- * High Level Disinfection Cleaning System

MAINSTAY YACHT MAINTENANCE

Our specialty is the diversity of jobs we will do on your boat from basic maintenance, antifouling, polishing, indeed all the nasty bits that an owner might not want or have the time to do.

We look after both sailing and motor boats all year round particularly for owners who can't get to their boats often. We currently work on at least 30 boats regularly throughout the year as well as undertaking many ad hoc jobs on others.

If you're an absent boat-owner, we'll also prepare your boat before you visit, even topping up the fuel tanks, maximising the time you have to use the boat. We'll do the basic housekeeping, valet the boat and even fix the toilets if necessary.

We've got many years' experience of handling all sorts of boats from small to very large. If you need us to move your boat, perhaps organising its lift-out, then

NETWORK YACHT BROKERS

As a part of an expanding international group of 24 independent brokerage firms we cover the River Dart, Torquay, Brixham, Salcombe and the River Exe, where we have been the first choice of most boat owners in these areas for many years.

We offer a full, bespoke service to buyers and sellers and are happy to travel anywhere in our region to inspect or advise on boats, be they power or sail, and of any age, make or size.

By virtue of our multinational coverage, when selling through us your boat will be promoted throughout the UK and as far as Europe and the Mediterranean thereby reaching a wide range of potential buyers. All Network brokers work together to provide the best route to market

Our business is staffed by two full time brokers with offices at Premier Marina's picturesque Noss on Dart location, which emerges as a key South West destination following major redevelopment.

Both James and John will always be delighted to talk boats with you; do please get in touch. Tel: 01803 834864 .

RIBEYE

Ribeye was formed in 1998 and it changed the way the leisure user approached the sea. From humble beginnings based in Dartmouth, Ribeye was formed with the clear ambition to manufacture the best leisure RIBs in the world. Ribeye have engineered the best handling hulls in the market and are inspired to build boats that are safe, dry and truly deliver for whatever their purpose.

Ribeye embodies capability and exemplifies performance, challenging individuals to go beyond what they thought was possible. Ribeye combine the ride quality and safety of a commercial grade hull with the refinement of a luxury RIB. Every Ribeye is different and each one is instilled with iconic British design cues.

Ribeye have become the pinnacle of refinement in the RIB world and are underpinned by British design and craftsmanship. Ribeye was awarded a Queens Award for Enterprise in 2021. Visit our website www.ribeye.co.uk or telephone 01803 832060 to discuss your requirements.

THINGS TO SEE & DO

The surrounding area is not only a stunning place to visit – it boasts a huge variety of historic sites, entertainment and activities for all ages. We are lucky to have all of this on our doorstep! Here are some of the highlights of what you can get up to on and off the water during your visit to the Dart Estuary ...

Around Dartmouth

Dartmouth Castle

Impossible to miss, Dartmouth Castle provides the focal point for many postcard shots of the Dart Estuary. Dating from 1488, it once protected the town from potential naval attack by a combination of a chain slung across the river mouth and a formidable collection of artillery. The castle and **St Petrox Church** are a must-see for anyone visiting the town. They can be accessed either by taking a short walk/drive from the Harbour Office or by the Castle ferry from Dartmouth Quay (opposite Rockfish). Also a Café with spectacular views across the Castle.

Dartmouth Castle 01803 833588

The Castle Ferry 01803 835034

The Castle Tearooms 01803 833897

Britannia Royal Naval College

With an intriguing heritage spanning over 150 years, the BRNC is an essential place to visit for anyone with an interest in British history. Since 1863, Dartmouth and the River Dart have been the home of initial Naval Officer training in the UK – today, the BRNC is the only remaining Naval College in the country, fulfilling a vital role in training Naval cadets not only from Britain but those from the Commonwealth and all over the world.

Guided and private tours offer an informative narrative allowing visitors the opportunity to appreciate the history and relevance of the BRNC. Tel: 01803 677565.

The Flavel Arts Centre

With a growing reputation as one of the best small arts venues in Devon, the Flavel has entertainment every day, from live music and comedy, to lunchtime concerts and cinema. A packed programme is very popular with visitors and residents alike. With the Flavel Café as a perfect venue to meet and eat, the Flavel is also home to the Dartmouth Library, with free Wi-Fi. Tel: 01803 839530

Bayard's Cove

Originally Dartmouth's only wharf, Bayards Cove is a picturesque area protected by a fort at the southern end of the town. A perfect spot to indulge in a drink by the river at the Dartmouth Arms or Bayards Cove Inn, or enjoy an hour or two of crabbing!

St Saviour's Church

Constructed in the middle ages when the town began to develop on the foreshore of the river and parishioners no longer wished to struggle up the hill to reach the parish church of St Clement. Tel: 01803 835540

Newcomen Engine House

The Engine House (adjacent to the Dartmouth Visitor Centre) is home to the only original Newcomen engine that can be shown working. The machine, built in 1725, was a giant step forward in the history of engineering and was a key step along the path to the Industrial Revolution – well worth a visit for any budding engineers! Tel: 01803 834224

Dartmouth Museum

A small museum housed in an old merchant's house dating back to 1640. The museum houses an extensive collection of artefacts, models, paintings and photographs, which chronicle the maritime, social and economic history of Dartmouth. With things to interest young and old alike, Dartmouth Museum is well worth a visit. Tel: 01803 832923

Along the coast

The Daymark, nr Kingswear

An 80ft octagonal limestone tower built in 1864 as a guide to mariners to the position of the harbour entrance. It is visible for many miles out to sea and is a true wonder of the South Devon coastline! Access via the South West Coastal Path from Froward Point, or park at Brownstone Car Park near Coleton Fishacre.

Blackpool Sands

An award-winning, privately managed 'Blue Flag' family beach with turquoise blue sea giving it an almost Mediterranean feel. Take a dip at this idyllic beach or enjoy organic Devon produce at the on site Café. Dogs not allowed during the summer. Nr Stoke Fleming. blackpoolsands.co.uk

Start Point Lighthouse

Sited at the end of the headland on one of the most exposed peninsulas of the English Coast, the lighthouse has guided vessels in passage along the English Channel for over 150 years. With guided tours, it is open to the public throughout the year. Check website startpointdevon.co.uk for visitor information. Tel: 01803 771803

Slapton Sands

An extremely picturesque and popular dog-friendly beach, it plays an important part in the survival of some of the UK's rarest flora and fauna. It is also home to a Sherman Tank that was sunk in action during Exercise Tiger (preparation for the Normandy landings in WWII) and has now been recovered. www.southdevonaonb.org.uk

The Daymark

National Trust

Greenway was the beloved holiday home of the famous and much-loved author Agatha Christie and her family. Set on the banks of the Dart opposite Dittisham, the house contains many of the family's collections, including archaeology, Tunbridgeware, silver, botanical china and books and was the setting for the dramatisation of her murder mystery 'Dead Man's Folly', starring David Suchet. Check website for opening times

There are many different ways to reach the property – by foot, car, ferry, or kayak. If arriving by car, call 01803 842382 to book a parking space (compulsory). See website for full details:

www.nationaltrust.org.uk/greenway

Coleton Fishacre boasts a luxuriant garden by the sea, with an Arts & Crafts-style house, featuring Art Deco-influenced interiors. It is located 3 miles from Dartmouth. Visitors are transported back to the Jazz Age at the holiday home of the D'Oyly Carte family. In the 30 acre garden, it is easy to imagine the parties of the past amongst the weaving pathways and sheltered glades. This warm, secluded spot is perfect for tender plants from the Mediterranean, South Africa and New Zealand. The elegant house is a place of 1920s' elegance. Music playing in the rooms echoes the family's Gilbert and Sullivan connections. Children will love the family activity packs.

Check website for opening times. Car park on site. See website for full details: www.nationaltrust.org.uk/coleton-fishacre

LOCAL WALKS

There are some fantastic walks in this South Devon National Landscape, some that start from the marina or just across the river in Dartmouth. The following information is provided by the South Devon National Landscape (www.southdevonaonb.org.uk) . Further details about these and other walks are available on their website - www.southdevonaonb.org.uk If you have the appropriate app, you can download full details of the walks to a smart phone by pointing your phone at the relevant QR code below. Make sure you wear sturdy footwear for both these walks.

Kingswear to Froward Point

Castles and cliffs, seals and skylarks, on a coastal circular walk rich in views, history and natural abundance.

Start: Darthaven Marina car park

Distance: 5 miles (circular walk)

Grade: Moderate to strenuous

Terrain: Coast path with some uneven sections

and long flights of steps; 2 steep descents; 1 steep ascent.

Obstacles & Steep Gradients: 2 Stiles; 4 flights of steps; 2 steep descents; 1 steep ascent.

OS map: Explorer 0L20.

Grid Ref: SX885512

Directions

1. From Darthaven Marina, turn right out of the car park along the road, then bear right again towards Lower Ferry.
2. At Kingswear Village Hall, turn left up Church Hill (The Ship Inn & St Thomas Church opposite). At top of hill, at hairpin bend, turn right along Castle Road (not Beacon Lane).

3. After 0.5 mile, turn right down wooden steps, signposted Froward Point 1¼ m.
4. Just past Mill Bay Cove, turn right onto private drive, and then left after 30m, up steps and through woods. Pass above Newfoundland Cove to Brownstone Battery. (To explore the Battery, drop down the path to the right by

LOCAL WALKS (CONTINUED)

the Coastwatch station. Turn left by the first searchlight post, then left again following the 'acorn' waymarker. Fork left once more to wind back up to the Coastwatch lookout).

5. Bear left onto the track signed 'HG Brownstone'. Past the Day Mark, fork left onto a green lane signed for Kingswear.

6. Turn left at Brownstone and follow the footpath through the farm and past Crocker's Cottage crossing a small stream on large stones (taking care as, may be slippery). The footpath joins a private road. Bear left where the road forks, and then left again.

7. Follow Castle Road to Church Hill. Turn left down Alma Steps. Retrace your steps past the steam railway, and fork left past the bus shelter to the car park.

The Daymark

(photo by Martin Thomas Dartmouthphotographs.com)

Kingswear to Greenway

One of the area's truly great walks, this ramble follows the wooded banks of the broad and beautiful river Dart, on a route crammed with gems and jewels of human and natural history.

Start: Darthaven Marina Car Park

Distance: 4.5 miles

Grade: Moderate

Terrain: Footpaths, fairly even, occasionally muddy through fields in wet weather; surfaced roads.

Obstacles & Steep Gradients: 5 stiles; 2 flights of steps; 2 steep climbs. This route is not suitable for wheelchairs or pushchairs.

OS map: Explorer 0L20. Grid Ref: SX 878515

Directions

1. From Darthaven Marina, by the railway level crossing follow yellow - marked footpath alongside railway line. Head North with the river on your left.
2. At the Higher Ferry slipway, turn right over the level crossing and up road. Just beyond public toilets, bear right up ramp and steps to climb through woods.
3. At t- junction, turn left along drive, signed 'Greenway Ferry and Maypool'. Then at main road take footpath opposite and to left down steps and through woods. Take care crossing this road as ferry traffic turns at this sharp bend with limited visibility. At the tarmac drive take footpath opposite and to right, leading into Long Wood.
4. At t- junction in woods, turn left and follow track through woods above river. Track eventually curves to right and uphill. Turn left along terrace path.
5. After steep climb, turn left and follow path. Part way down hill, cross into field to right over stile and continue down along hedge line.
6. At field exit turn left, signed 'Greenway

Gardens $\frac{3}{4}$ m'. Pass through gate and down track past houses. Turn left at road.

7. Continue along the lane and through gate. By Greenway Estate information panel turn right through gate. Once over brow of hill bear left down field edge path. At the bottom turn right along Greenway Drive.

8. By the lodge house turn left down road to quay.

9. To return to Kingswear. From here you can take a ferry to Dittisham and continue, following the Dart Valley Trail, back to Dartmouth. Alternatively you can take a ferry back to Dartmouth from Dittisham, or retrace your steps on this side of the estuary.
